8 — The Moderator's message, by Reverend Farrell Shimpock, reading from Numbers 13:26 and Joshua 13:1 delivered an inspiring message on a "Challenging Program for the Stanly Association".

Of the 12 who went up to look over the land, 10 came back controlled by human weaknesses, 2 came back under the leadership of the Holy Spirit. Like Caleb, "Let us go up and possess the Land" a program that will reach everyone, not one confined to nationalities but a World Mission Program. What does God expect of us?

An extensive program with vision, faith and perseverance.

Weakness of Christianity is short sightness. If Stanly Association goes pagan, it will go through the doors of the 52 Baptist Churches. We need a program intensive enough to enlist everyone for Christ. It is not enough to just attend Church, but a willingness to become involved. If we fought wars like we fight for Christ we would be defeated years ago. Teamwork in the churches is the need of the day with the whole team playing to win the Battle for Christ.

There must be a program live enough to challenge every one.

And a Spiritual program that will challenge the Church, things that count have Spiritual Power.

Let us work together, dedicate ourselves to the Challenge of the New Year.

9 — The Congregation joined in singing "He Leadeth Me! O Blessed Tho't".

Each member has an opportunity to give.

12 — The Report of the Finance Committee was given by Rev. Robert Morrow, moving its adoption. A second and approval was given.

13 — Report of the Constitution was given by Rev. A. M. Kiser for information.

14 — The following Agency Report was heard:

Home for the Aging—Ed Holbert;
Baptist Children's Home—Rev. Clyde Whitehead;
Baptist Foundation by Gorden Maddrey;
Christian Literature by Mrs. M. A. Small;
Annuity Board by Rev. Howard Laney.
A second was received and all approved.
Guest speaker to the Biblical Recorder was the Reverend Woodrow Hill.

15 — Hymn, "Something For Thee".

16 — Message for the Afternoon was brought by the Reverend Tom Green, reading from Gen. 2:4; Hebrew 11 and 7; Matt. 10 and 25.

Using the Scene of the Jesus Ascending to Heaven, "All Power is given unto, Go, Preach and Teach, I am with you" he delivered an inspiring message on Stewardship. Why should we support the Cooperative Program? It is God's Plan. Tithing is an expression of love in worship.

Giving is for our Benefit as an expression of Thanksgiving and Love. Second, We give for the Needs of others.

Rev. Roy Taylor invited the messengers and visitors to the evening meal and led in prayer.

17 — Adjournment was called and a delicious dinner was served by the host Church.

——DINNER——

The Reverend Yates Brooks explained the working of the Missions Committee Explaining the work of the S.B.C. and Baptist State Convention with the Association was given by the Reverend Clyde Whitehead.

Representing the Sunday School department was the Reverend Kenneth Gibson.

The Reverend Roy Taylor spoke on the importance of the Church Training Program.

Mrs. Howard Laney, Associational WMU Director, said their task was to "Teach Missions, Mission Action and Mission Prayer" for all age groups. Mr. Herbert Gray, Music Director, represented the Music Department.

This was an informative program on what the Association means to the local churches in training for the Kingdom Work.

22 — The annual sermon was brought by the Reverend Nathan Fox, reading from Luke 14.

Rev. Fox delivered an inspiring message on the Theme: "Living The Spirit Of Christ In Expectancy and Creativity".

He encouraged the members to get in tune with God, find ways to Praise him daily. God is calling us to a time of Bible searching.

Seventies have ushered in a new Era. We should be like the Early Church, live in unity, obedience and spend much time in prayer.

Live in the Spirit of Expectancy and Creativity, realizing the need of a Heavenly Teacher.

32 — Reverend C. R. Hinton led a most impressive "Memorial Service for our Departed Loved Ones" of the past Associational year and led in Prayer.

33 — Mr. Coy Privette, State Christian Action leader gave a most challenging message from Psalm 11:3, "When foundations were underminded, where were the good people?" He urged the congregation to be responsible citizens and take a stand on the issues of the day. "Evil flourishes when good people do nothing."

34 — "Tell Me The Story of Jesus" by the Congregation.

35 — The Annual Sermon was brought by the Reverend Edgar Whitlock. Reverend Kenneth Gibson read from Luke 10:1-3; 16-24.

Reverend Whitlock spoke on the importance of God's Call to the Ministry. What has happened to "The Man In the Middle?"

Do we feel the need for God today? Attitudes toward the minister have changed.

We have forgotten the respect and reverence for the God Called Messengers.

No longer is the Church the center of the Community.

Rejection of God's messengers brings God's wrath.

Reverend Don Ingle led the closing prayer.

Reading from Rom. 3:14, "I am not ashamed to preach the Gospel", he shared his experiences in the work of the African continent. The rapid changes today and the need for more missionaries in all fields of service. How God is using the printed press, radio, T.V. and schools to light the lamps in many dark places of Africa.

His closing appeal was "Give the Gospel to the World with every Christian a minister of service" in their own community.

Report of Credentials Committee

It is the recommendation of the Credentials Committee that the Messengers of member churches of Stanly Baptist Association be seated. We are appreciative of the many fine things being accomplished within our Association and Denomination for the glory of God. However, there is continued concern about the practices of several of the churches in the area of support and cooperation. Therefore, we would urge these churches to review their policies and practices with the overall aim of greater support and cooperation in all phases of our work.

Respectfully submitted,
REV. L. A. FAULKENBURY, Ch.
MR. CARL PAGE
MR. E. H. MORTON

Report of Executive Committee

The Executive Committee of the Stanly Baptist Association has met during the past year as directed by the constitution. The committee reports the items acted upon as follows:

1. Information on the importance of helping our young people to better understand the "Drug abuse problems" in our schools in Stanly County. A motion picture film on L.S.D. is available (to any church desiring it) from the Hartsell Funeral Home.

2. A request from the "'Welcome Baptist Mission" to be admitted into the Stanly Baptist Association was considered by the Mission Committee of the Stanly Baptist Association. The following report was brought to the Executive Committee and was accepted: "At this point, there is no recommendation we feel that we can make. If you secure a cooperating sponsoring church, locate a church site, cooperate with the Associational program, show a spirit of missionary concern and zeal, we will further study your request."

3. The amount of $150.00 was applied for from the N. C. State Convention for the purpose of aiding in the expense of our Associational Program. The State Convention could not meet the full amount, but submitted $144.00 for this purpose.

4. Four men, two (2) ministers and two (2) laymen, were nominated to be considered by the Baptist State Convention Nominating Committee for a general board member. The following names were submitted: Rev. Clyde Whitehead, Rev. L. A. Faulkenbury, Mr. Elton Hudson, and Mr. Bobby G. Furr.

5. The Executive Committee took action on a motion that the moderator appoint a Promotional Committee consisting of two (2) ministers and two (2) laymen, to visit the churches, of the Association (by request) to inform, educate, and to train the people in the Associational work, especially in the area of financial support. This motion was rescinded and the matter was placed in the hands of the Mission Committee and that the finances of the Association would be promoted through the Associational Missions Committee and the Association Superintendent of Missions.

6. A respresentative of the American Legion brought a request and informa-

tion to the Executive Committee on "An opportunity to share" in helping to build a chapel for prisoners in Durham, to help in building a school of military personnel, and to contribute toward the fund for Lt. Calley.

7. A stewardship chairman was appointed, Rev. Nathan Fox, pastor of Memorial Baptist Church, Norwood, N. C., and he along with others attend a Regional Meeting on Stewardship.

8. A Committee consisting of the Moderator, Vice-moderator and Superintendent of Missions was elected to write a statement of opposition to the promotion, sale and use of alcoholic beverages in Stanly County and to release it to the news media.

Respectfully submitted,
REV. YATES BROOKS
Vice-Moderator

Evangelism Report

All Christians need to thank God for the renewed interest among youth in Evangelism. This was evident during the youth Evangelism night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on Lay Witnessing, and the one week Lay Evangelism Schools. Over twenty-five Associations have already started specific planning toward a one-week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the division of Evangelism will be November 1-7 in the Mecklenburg Association. Jesus reminded all Christians of our task in Luke 24:8 "And ye are witnesses of these things." Thousands of Laymen and youth will respond if they are properly challenged and trained.

The Division of Evangelism in cooperation with our Brotherhood Dept. and the N. C. United Methodist Conference will sponsor four Regional Evangelism conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971 across the State. Lay Evangelism will be the emphasis of these evening meetings.

The 26th statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism night will be on Friday Evening, August 18, 1972 at Greensboro Coliseum.

A spirit of Evangelism has been experienced in many of our churches here in our own Stanly Baptist Association this year. The Holy Spirit has worked among us and within us to bring many to Christ.

Remember to pray earnestly for the non-Christians in our area and to the uttermost part of the world, may the Holy Spirit lead us into greater depths of love for those who are lost and need the Saviour.

Respectfully submitted,
REV ALBERT M. HINSON

Report of the Supt. of Missions

I do not know what the statistics for this year in our Association will show, but it is my feeling it will be one of the best years we have had. The spirit of our people and our churches seem to be on a high plane and we are more concerned about what God wants His churches **to be** and **to do.** This is not true of many of our people and our prayer is that this spirit may be caught by more and more of our people in the coming year. We are reminded of the saying "Attempt Great Things For God and Expect Great Things From God" . . . as we think of our theme for the coming year "Living the Spirit of Christ . . . in Expectancy and Creativity".

The goals suggested for the decade of the seventies and especially the ones adopted by each church should be studied constantly in the light of what you believe to be God's will for your church and association. Real commitment on the part of every Christian must be based on what we believe to be God's will and not on suggestions from Associations and Conventions — unless we believe God is speaking through these suggestions.

During the past year I have endeavored to get into every church for some meeting or service, and to answer every request for assistance. There have been only a few instances when a previous commitment kept me from saying yes.

We have sent monthly bulletins to those church leaders listed on the Associational Church Letters (between 500 and 600 at present on our mailing list). Many other letters, newsletters and announcements about programs, etc. have been mailed.

— Prepared and distributed the calendar for the calendar committee and prepared materials for all other committees as requested by them.

— Attended many statewide meetings and conferences (all except Evangelistic Conference — when illness prevented this).

— Traveled between 17,000 and 18,000 miles in my work.

Thank you for the privilege of serving with you in this increasingly important field of Associational Missions.

Thank you, also, for providing for a part-time office helper — Mrs. Albert Miller has been a tremendous help to us and to you.

Respectfully submitted,
REV. J. CLIFTON DUNEVANT.

Cooperative Program Report

In a day when many major denominations are cutting back their missions programs we are pleased to report that Southern Baptists are making large advances. Cooperative Program receipts at the Southern Baptist Convention level are well ahead of a year ago. This will, no doubt, be a record year.

"Committed to World Missions" is the Cooperative Program theme for the year 1971-72.

I. To help churches of our Association grow in support of Cooperative Program work we recommend:

A. That our churches keep in mind the inflationary trends of our economy and plan to increase their contributions to missions.

B. That every church observe Cooperative Month, October each year.

C. That every church observe Cooperative Program Day on the third Sunday in April.

D. That contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest:

1. For churches giving under 20%, advance 2% each year up to 20%.
2. For churches giving 20% but under 30% level, advance 1% each year to 30%.
3. For churches reaching the 30% level, advance ½% each year until the objective set by the church is reached.

II. The Stewardship Commission, SBC, now offers to the churches three programs to help in the matter of planning, promoting and pledging church budgets. All the materials referred to here may be secured from SBC Stewardship Services, 127 Ninth Avenue North, Nashville, Tennessee 37203. They are:

A. The Southern Baptist Program of Christian Stewardship. The theme for this year is "Committed to Give . . . As God Has Given." A program designed for churces of any size.

B. Stewardship Activity Guides, from which a church can build any type program it desires.

C. Family Stewardship materials which are designed to teach sound money management principles to the Christian family by acknowledging the Lordship of Christ.

III. In addition to these materials, which have become standard items, graded materials have been produced to help our churches begin teaching the principles of stewardship development during the early years. "My Money Helps" and "Money and Me" are for children six through eleven. "Youth In Stewardship" (called YIS) is a five session youth fellowship emphasis.

IV. Of increasing importance to the churches in our association will be the stewardship chairman. Every church should receive a copy of **The Church Stewardship Chairman's Planning Guide.**

V. We recommend:

A. That a stewardship chairman be elected in every church in our Association.

B. That we continue to emphasize the tithe as the minimum standard of giving.

VI. Increasing emphasis needs to be given to the matter of the Christian family and a will as well as a program to raise money for capital needs.

VII. To assist in these matters we recommend:

A. That every church in our Association conduct a MAKE YOUR WILL EMPHASIS in January.

B. That pastors focus special attention on the work of the State Baptist Foundation during the month of September.

C. That every church set a goal for the number of wills and trusts to be prepared by the members.

D. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

Respectfully submitted,
REV. NATHAN W. FOX.

North Carolina Baptist Homes for the Aging

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

Respectfully submitted,
MR. EDWARD D. HOLBERT.

Baptist Hospital Report

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics. including 17,241 to the Emergency Room. About 90% of these were "referral" patients — that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hos-

pital costs, and these have made some policy changes necessary. The basic policy of providing care — now the highly specialized care for the more difficult cases — for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism". The operating deficit has been reduced and expenditures are being kept nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

Baptist Children's Homes

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn; not only where we stand in moments of comfort and convenience, but where we stand in moments of challenge and moments of controversy. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. We welcome individual inquiries regarding any of the services we offer.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville, and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Respectfully submitted,
REV. CLYDE F. WHITEHEAD,
Children's Home Representative.

Annuity Board

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members and denominational employees moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial actuarial assumptions. Since January 1, 1970, active members received Good Experienced Credit in the form of increases in retirement credits accrued.

Each retired person, or widow, also received a "13th check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to $424,594.

An Annuity Board protection program is available to cover all the needs of a pastor, church staff member or denominational employee. Many churches help by paying the dues in retirement and life and health insurance plans. Forty of fifty-one pastors and two church staff members are in one of the plans. Would you see that your pastor and staff are qualified to receive these benefits?

Respectfully submitted,
REV. HOWARD LANEY.

Report on Christian Education

Christian church-supported colleges continue to make a vital contribution in both the training of church-related vocational workers and lay leadership. These schools have not abandoned responsibility for the transmission of values as well as knowledge.

Southwide statistics include the seminaries and academies. Gifts from the convention and S.B.C. totaled $21,722,922. Donations, gifts and grants totaled $15,047,553 . Total assets of the schools stand at $723,601,269. Endowment total is $211,958,139. Total enrollment for the year was 108,606. 1970-71 figures show 7,894 ministerial students, 1,380 Home and Foreign Mission volunteers, 1,925 church education volunteers, 1,628 for church music and 1,392 for other church vocations.

Our seven N. C. colleges are Wingate, Wake Forest, Gardner Webb, Campbell, Chowan, Mars Hill and Meredith. Then there is Fruitland Bible Institute and the Southeastern Baptist Theological Seminary at Wake Forest. To the colleges, total gifts from churches and from the Baptist Foundation were $1,854,045. Total expense and distributions were $1,852,623. The cooperative program is still the largest single source of annual income for our colleges. As of October 1970 N. C. Baptist colleges reported 13,007 enrollment with 252 ministerial students and 289 for other church vocations.

The Baptist Youth Corps is a significant venture for the churches and the colleges. Weekend revival teams are available from most campuses as are speakers for mission studies etc. Special days for groups of high school

students to visit campuses are having fine response. Meredith College expected 300 acteens on a Saturday in September of this year and had over 1,000. Dr. Bruce Heilman resigned as President of Meredith but the trustees have already found a replacement.

One of the greatest needs currently facing Baptist colleges is to find academically qualified teachers and administrators who are committed Christians and loyal to the denomination.

The American Bible Society

The American Bible Society has 800 translation projects now in progress, yet there is an ever growing need to reach the millions of people who have not received one copy. To help execute the cause of the American Bible Society, Christians worldwide will have to unite in one common cause of spreading the Word of God. This feat will be impossible for us to accomplish without the support of everyone.

The American Bible Society in its effort to reach the people is continuing the Dwight D. Eisenhower Memorial Bible Fund. This fund should be important not only to every Christian but to every American since it is used to reach our armed forces around the world. The Christian population (28.8%) shoud not only endorse this Fund but should back it with their monetary resources. With our active support we will be able to double our present ministry of 1971.

In the 155 years of the American Bible Society's existence it has spread the gospel through publication throughout the world. I encourage each individual to support the American Bible Society with your prayers and financial support.

Respectfully submitted,
REV. CURTIS H. SMITH.

Associational Foundation Report

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

Christian Literature

"Give attendance to reading."— I Tim. 4:13.

Every Christian needs to be "on fire" for God, and the essential fuel to kindle the flame is a knowledge of the Word of God. There is no substitute for the Bible, the BEST in literature, relevant to all times. Study the Bible to be wise; believe it to be safe; practice is to be holy. Small wonder so many Christians are anemic — they are starving for the Bread of Life.

At a time when some religious publications are losing circulation, it is good to report that the Biblical Recorder has passed 93,000, the highest in its 138-year history, and hopes to reach 100,000 soon. The Recorder should be in every Baptist home in North Carolina, read by every member of the family who can read. The Church Budget Plan makes this possible for only 4c per week. Not half the churches in Stanly Association are using this plan. Every pastor should see that his church adopts this plan during the coming year.

The BEST Christian literature available is being published by the Baptist Press in the form of books, magazines, periodicals, etc., and deserves our wholehearted support. If these are read, there will be no time for "smut" and "filth" displayed so profusely on newsstands, causing pollution of the mind. Pornography is still a great menace to our society. What are you reading?

Respectfully submitted,
MRS. M. A. SMALL.

Music Report

During the past year we have accomplished two things which is the key to the Associational Music program — that being PARTICIPATION. First, we were able to enlist the help of several of the Youth from the Churches in the Association to organize an Associational Youth Choir. They sang for Youth Night and will sing during the Annual Meeting. This group has shown enthusiasm in that they have been willing to come and rehearse with us to prepare the music which was presented. While we did not have 100% participation from all the Churches, we feel that those who did help received a blessing in that we were able to be a witness to our Association in this way. We hope that in the coming year the ranks of the Choir will swell with many interested and dedicated Youth who are willing to serve in this way.

Secondly, we have been able to purchase some music and place it in the Associational Office. This music may be had for use in any of the Churches in the Association by simply asking for it and checking it out through that office. We hope to add to the Associational Music Library during the coming year and also hope that many of the Churches will take advantage of this service. Most of the music in the library now appeals to Adult Choirs also.

With your cooperation and help we can make this coming year a time of "serving by singing". Please join us in this effort!

Respectfully submitted,
HERBERT B. GRAY.

W. M. U Report

This past year has been one of changes, sometimes confusions, and much hard work on the part of the leaders of our association. I am sure our reports will show that much has been accomplished, but there is so much more to be done.

Our leaders have attended the workshops, and Ridgecrest, in trying to prepare themselves for another new year, and much interest is being manifested, as women have gathered in our local workshops to try to prepare themselves for better work another year.

One of the highlights of our year's work was the Mission Fair presented by our Girls in Action last May, under the leadership of Mrs. Douglas Phillips and Miss Barbara Caudill. These young people are planning to have another Fair this coming year, and I covet the prayers and leadership of our women in this movement.

We are lacking in numbers in our Baptist Young Women's work, but much interest is being shown, and under the capable leadership of Mrs. Franklin McNeill, we look forward to a good year in this field.

Mrs. Eugene McIntyre and Mrs. Brenda McSwain have continued to do a great work with our Acteens, and we are so happy that they have agreed to continue with this effort.

Mrs. R. B. McDonald will continue working with our Mission Friends.

The president of The Baptist Women has been promoted to Associational W.M.U. Director — Mrs. Howard Laney. She has already started the work in a fine way, and we predict a good year in this area under her leadership.

As I conclude three wonderful years with the Baptist women in the Stanly Association, I leave with mixed emotions. I have had a wonderful fellowship with the pastors and leaders in the Association. The women have become my dearest friends and coworkers, and I know that they will all transfer this cooperation, this interest and this love to Mrs. Laney as she will lead in a great way in the year ahead.

Our annual meeting was held in the North Albemarle Church. The meeting for 1972 will be with the First Baptist Church (Albemarle) women, the Tuesday after the second Sunday in April. The time will be 4:00 - 8:30 P. M.

MRS. J. C. HOUGH,
Director.

Sunday School Report

This year has been a year of adjustment and evaluation in many Sunday Schools. Some have criticized the new materials while others have praised them. It is difficult to know what progress is being made.

Our Associational Sunday school officers have spent many hours in training and planning for the work. One afternoon and evening was spent in training in a meeting in the First Baptist Church in Monroe. Some attended the assemblies for further training.

Associational meetings were held in an attempt to get this training into the local church. They were well attended. The aim of the associational Sunday school program is to help the local church. These officers stand ready to assist you in any way they can. Please call on us.

Respectfully submitted,
REV. HOWARD LANEY.

State Mission Report

GENERALLY SPEAKING, State Missions in North Carolina can be divided into two major categories: (1) ministries that STRENGTHEN and (2) ministries that LENGTHEN the witness of local churches.

STRENGTHENING ministries involve the various church program organizations such as Sunday School, Church Training, WMU, Brotherhood, etc. These are programs that better enable local churches to realize their own mission potential.

State Missions ties into all of this by providing resources and personnel that assist in the development of these ministries. Workshops, seminars, and conferences are conducted each year that deal directly with the strengthening of these organizations. State Missions, therefore, helps local churches as they themselves become types of "Mission station" across the state.

The second type of State Missions are those ministries that LENGTHEN the witness of local churches. These are cooperative efforts that "represent" the concerns of local churches; programs that require the support of many congregations. Some examples of these ministries include Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministries, Chaplaincy, Fruitland Baptist Bible Institute, Seminary Extension, Ministry to the Deaf, etc. These are specialized programs that require the continued support of well-trained personnel. Many of these ministries are co-sponsored with the Southern Baptist Home Mission Board who provide home missionaries, as well as other resources.

Each of these ministries, however, works closely with local churches and associations. In Resort Ministries, for example, local churches and associations often participate by providing personnel and other resources. It is not uncommon for urban weekly programs to look to churches and associations for a needed location and other resources.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Missions, Week-Day Ministries and Youth and Family Services. All total, State Missions involves over 50 different ministries across North Carolina. These programs serve as a vital link in the total World Mission responsibility of North Carolina Baptists.

REV. F. G. ALFORD.

Foreign Mission Report

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1970, the Board had an overseas missionary staff of 2,501. This included 165 missionary associates, 4 special project medical personnel, and 121 missionary journeymen. Appointment during the year totaled 182 (92 career, 18 associates, 64 journeymen, 1 special project medical couple, and 6 career reappointments). Between January and May, 1971, 35 more were added.

Hundreds of calls for reinforcements in personnel have come from Missions and national conventions in dozens of countries. Some requests, repeated from previous years and still urgent, are yet unfilled.

On May 1, 1971 Southern Baptist missionaries were under appointment to 76 geographical or political entities. New fields added in 1970 were Laos, Mozambique, Surinam, and Upper Volta.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament Churches. Organized churches which Southern Baptist missionaries are related on mission fields now total 5,853, of which 75 percent are self-supporting. Work and accomplishments reported are largely those of national churches, leaders and conventions, with the assistance of missionary co-workers and resources from Southern Baptists.

At the end of 1970, Southern Baptists' contributions for foreign missions totaled $31,503,218 (a per capita gift of $2.71, one cent more than in 1969). The 1970 Lottie Moon Chrismas Offering had reached a total of $16,220,105 by May 1, 1971. About 50 percent of the Southern Baptist Convention Co-operative Program funds are made available annually for foreign missions. This is the basis upon which sustained advance can be built.

Memorial Service

Will they meet us, cheer and greet us,
Those we've loved, who've gone before,
Find our beautiful immortals
When we reach the radiant Shores?

Hearts are broken for some token
That they live and love us yet,
And we ask, can those who left us,
Though in heaven, can they forget?

They will meet us, cheer and greet us,
Those we've loved, who've gone before,
We shall find them at the portals,
Find our beautiful immortals,
When we reach the radiant shore.

Report of the Resolution Committee

Whereas the 87th Annual Session of the Stanly Baptist Association in North Carolina has been a period of inspiration, information and fellowship,

BE IT THEREFORE RESOLVED:

1. That we, the messengers and visitors of the Stanly Baptist Association express our sincere thanks to the Moderator, Clerk and other officers of the Association for the splendid way in which they have conducted the sessions of the annual meeting.

2. That we express to our Superintendent of Missions our appreciation for his work in helping to make this session more meaningful.

3. That we express our appreciation to the program committee for the well-planned sessions and their fine selection of speakers.

4. That we express our appreciation to the members of Grace Baptist Church and Pleasant Grove Baptist Church for their warm reception and delicious food served.

5. That we express our appreciation to the Stanly News and Press and radio stations WABZ and WZKY for their publicity given this annual session and other Baptist work throughout the year.

6. We express our appreciation to each of you who have attended and helped to make this a most rewarding session.

7. The following resolution was approved by the Stanly Baptist Association at its 87th annual Associational Meeting on October 20:

Believing as we do that the sale and use of alcoholic beverage is the most destructive force against life, health, and spiritual welfare of the people of Stanly County; Believing also that the advertisement and promotion of alcoholic beverage is presenting a hazard to the lives of both young people and adults; We the Stanly Baptist Association wish to voice our opposition to the promotion and sale of alcoholic beverage in Stanly County. We also urge those who can, to cast a vote against the sale of beer and wine in the town of Norwood, N. C., in the forthcoming vote. We strongly urge the churches of Stanly County to rise up in opposition against any such promotion and sales.

History of Grace Baptist Church

On the fourth Sunday afternoon, September 25, 1921, a large crowd headed by Pastor Q. C. Davis and all the Deacons of the First Baptist Church, met Rev. John S. Harris who had been conducting a revival in Almond's Hall for the organization of Grace Baptist Church. Brother Davis was elected Moderator and J. B. Copple, Clerk.

After proceeding with the organization of Grace Baptist Church which was duly constituted into a cooperative church, the reception of new members was called for and 21 came as charter members.

Grace Church worshipped for the first few months in Almond's Hall. Then the old building of Salem Methodist Church on Concord Road was purchased, and the materials from it used to construct a building on the present site donated by Wiscassett Mills Company. This one room building was used and added to as the need became evident until the present Educational Building was erected under the ministry of Rev. Floyd Helms. This building was completed and dedicated on April 20, 1952. The old building was torn down, and the worship service and Sunday School was held in the Educational Building. The growth of the church was evident, so more

space was needed. During August 1956 the present Sanctuary was started under the ministry of Rev. C. R. Hinton, and the first service was held in the new sanctuary on the first Sunday in September 1957.

The first pastor's home was furnished by Wiscassett Mills Company until a parsonage was built in 1948 during the pastorate of Rev. J. A. Seymour. This is now used by the Minister of Music and Youth.

A modern Educational Building was completed in 1970. Dedication service was held on July 26, 1970. A beautiful parsonage was built on Snuggs Street and Open House was held on May 2, 1971. These buildings were erected under the ministry of Rev. Roy P. Taylor who began his pastorate February 4, 1968.

In January 1970, Herbert Gray began his work at Grace as Minister of Music and Youth. The church now has a full graded Choir Program.

Grace Church joined the Stanly Association in 1921 with a Church membership of 38, Sunday School Enrolment of 162, and $110.00 in contributions for the year. During the last 50 years of the church's existence the membership has increased to 736, Sunday School Enrolment 547, Training Union Enrolment 75, Brotherhood Enrolment 105, WMU Enrolment 75, Vacation Bible School Enrolment 170, Church Music Enrolment 117. In these 50 years the contribution has increased from $110.00 to $73,371.00. Value of church property is $500,000.00.

The church has been served by the following pastors:

John S. Harris, 1921-1923; B. G. Whitley, 1924-1926; C. B. Reid, 1927-1934; T. W. Fogleman, 1935-1937; H. E. Rogers, 1938-1939; S. T. Morris, 1940-1941; J. A. Seymour, 1942-1950; Fred Sandusky (Interim), 1950; Floyd Helms, Sr., 1950-1955; S. T. Morris (Interim), 1955; C. R. Hinton, 1955-1967; Dr. Fred Sandusky (Interim), 1967; Roy P. Taylor, 1968-.

History of Pleasant Grove Baptist Church

Pleasant Grove Baptist Church had its beginning in a brush arbor built on the farm of Wright Burris in the Spring of 1833. The minutes of the Pee Dee Association gives the report that Pleasant Grove of Stanly County was an active mission in 1843 and that regular services were being held in a log cabin.

In 1851, Rev. B. H. Carter, a part-time worker of the State Mission Board, conducted a revival meeting which concluded with the organization of the mission into Pleasant Grove Baptist Church. There were seven charter members but we have no record of their names. Mr. Jesse Morton and Mr. William McLester were the first deacons and Rev. B. H. Carter the first pastor.

The only record of note regarding Pleasant Grove from 1851 until 1885 is the fact that the Rocky River Association was organized at Pleasant Grove in 1865, consisting of churches in Stanly, Mecklenburg and Cabarrus Counties. When the Stanly Association was organized in 1885 at Silver Springs Baptist Church, Pleasant Grove became a member of Stanly Baptist Association.

During the 109 years of her existence the church has worshipped in a brush arbor, then some time prior to 1843 a log cabin was erected as a place of worship and served as such until 1892 when a one-room frame structure was erected as a place of worship. This frame structure building served, with modifications and additions until 1950 when the present building was erected. In 1954 a pastor's home was erected near the church. This home is a nine-room, two-bath, full basement, brick veneer structure considered one of the finest pastoriums in Stanly County. In 1959 the educational facilities were brought up to the seating capacity of the auditorium with the building of an educational wing to the right of the existing building. In 1970 the auditorium was completely renovated. Carpet was installed

throughout the auditorium and all the pews were cushioned. The choir loft was also relocated and is now behind the pulpit area.

At the writing of these lines, the Sunday School enrollment is 490, and the total membership is 576.

The following pastors have served the Lord as pastors of Pleasant Grove: B. H. Carter, Solomon Snider, J. W. Dunn, J. W. Littleton, C. C. Foreman, L. A. Whitlock, W. G Morton, G. O. Wilhoit, Ruben James, George Eudy, E. P. Harrington, A. H. Hill, George Hunneycutt, and A. C. Davis. These served prior to 1900. Those who have served during the last 71 years are: J. F. Davis, D. C. Morton, E. M. Brooks, C. J. Black, J. W. Fogleman, Ruben James, W. J. Russell, Floyd Fry, J. F. Gaddy, C. C. Honeycutt, then W. J. Russell again, and C. C. Honeycutt again, then John Blalock, George Davis, J. Tillman Lake, F. G. Walker, Macon P. Greene and Yates Brooks.

Report of the Executive Committee

The Executive Committee of the Stanly Baptist Association has met during the past year as directed by the constitution. The Committee reports the items acted upon as follows:

1. The Executive Committee voted not to apply for Association Assistance from the Baptist State Convention this year.
2. The Stanly Association joined with the Rowan Association in a Bible Conference during February and March of 1972.
3. The Executive Committee voted to publish in the Biblical Recorder that the Stanly Association voted in session during the Annual Associational Meeting to accept the Baptist Faith and Message as a guideline for our Association.
4. The Executive Committee took action to enter the CAVE Plan of the Southern Baptist Convention and to purchase a 16 mm motion picture Projector for the Associational use and for the use of all the churches in the Association. The following guidelines were adopted:
   a. Each church have a qualified operator.
   b. A training clinic will be arranged in the Association in the fall. Each church should send a representative, also 5 or 6 men of the Association who would be available on call.
   c. Schedule the use at an early date. Set a time for return, not later than noon the following day. Arrange with Mr. Dunevant a place to leave the equipment if the Associational office should be closed.
   d. Any damage or malfunction will be reported in writing. Forms are available in the Associational office.
5. The Missions Committee is to make available to those churches desiring them a brochure outlining the work of a Baptist Association.
6. Action was taken to instruct the proper committee to take steps to challenge our churches to give a minimum of 1% of all undesignated receipts toward our Associational Program.
7. The Missions Committee recommended to the Executive Committee that a Committee be appointed to study the possibility of relocating the Associational Office. The moderator appointed the committee.

Evangelism Report

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. Six thousand youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

Almost 20,000 youth, pastors and adult leaders are expected to attend the second Statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum. It is evident that God is working through Christian youth today to share His Gospel in a thrilling, significant manner.

Let us rejoice in the excellent reports of revival meetings, a city-wide evangelistic crusades and associational evangelism clinics during the past year. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many more persons may experience Christ by genuine faith and commitment.

The twenty-seventh Statewide Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

Cooperative Program Report

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping

students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?
2. Will you pray for your missionaries and other Cooperative Program causes each day?

Clyde Whitehead

Superintendent of Missions

The Associational work has gone well this year as will be evidenced by reports from the organizational leaders. These reports will, no doubt, indicate some disappointments or even cancelled plans; but it has still been a good year and *we* thank our leaders for their work. It is my belief that our Bible Conference, in cooperation with the Rowan Baptist Association and the Sunday School Department of the Baptist State Convention, was one of the highlights of our Associational activities. Bible study and teaching must remain basic in all that we do.

We have tried to promote all phases of our denominational program and to cooperate with each of our organizational leaders. While we rejoice in accomplishments we are also glad to know that our people recognize the need for greater efforts in the days ahead. This is true in the areas of Church Training and Brotherhood work. Both of these are broad and beneficial programs needed by individuals and by churches. Please help your church grow in these areas and in all others. The program of each church should endeavor to promote all that Christ teaches us in an effort *to reach* and *win people to Christ.*

We were happy for the opportunity to cooperate with the Stanly County Vocational Workshop and Metropolitan Missions Department, B.S.C. in sponsoring a very successful Literacy Workshop at First Baptist Church, Albemarle, in May.

Although I missed both the Fruitland and Ridgecrest Conferences this summer because of illness in the family and our auto accident, I shall try to be informed and help you with your work in 1972-73.

Thanks to our secretary, Mrs. Albert Miller, and all our leaders who have helped her do such a good work . . . all year and especially since our auto accident.

J. Clifton Dunevant

Baptist Homes for the Aging

The past year has been the best yet in the 21 years in the operation of our Baptist Homes. The special offerings and the support through the Cooperative Program is on the increase. Through these two vital sources the Homes during the past year derived almost 30% of the total operating budget, with 20% coming from the offerings and 10% through the Cooperative Program. These gifts are a lifeline to the residents, and they could not be maintained without them. We challenge our churches to increase the special offerings each year to keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes. Two in Winston-Salem and one each in Albemarle, Hamilton and Yanceyville. These Homes have a capacity for 162 residents. In addition there is a Nursing Home in Winston-Salem with a capacity for 63 patients. These aging people are given love as well as care in these Homes.

In May of this year the north wing of the Nursing Home was dedicated. This wing accommodates 18 additional patients. It was completed in November of 1971, and was named in honor of Judge and Mrs. William York. He and his wife gave a challenging gift of $80,000.00. The additional money needed was raised by the Trustees of the Homes. The majority of the beds in the Nursing care unit are used for the residents of the five Homes.

If you have never visited in one of our Baptist Homes, you don't know what you are missing. You will receive a warm welcome along with a blessing and an inspiration.

Baptist Children's Homes

This annual report finds the agency vigorously pursuing its basic purpose, i.e. a sensitivity to real needs and a commitment to the best in child care. Changing patterns of family life and the involvement of government in social ministries profoundly affect the number of children needing our care and the type of care needed. More and more we are being asked to serve children with special needs beyond neglect and dependency: emotional alienation from family; trouble with the court; borderline retardation; emotional disturbance which requires professional treatment. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Baptist Children's Homes will not be content to provide minimal care only. We are committed to quality care which serves the whole person. Quality care costs. It makes heavy demands on the individual staff member in his involvement with the child. It requires more staff members for the number of children served. It necessitates the purchase of supplementary professional services, such as medical and psychological specialists. But the cost is really an investment in the future of the children served, and we believe that it is the best investment of life and money we can make.

The Children's Homes continue to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. The Ten Star Builders' Program is enlisting the support

of Eastern North Carolina for Christian child care in that section of the state. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. Across the state, renewed effort is being given to the enlistment of foster families.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptist. The Cooperative Program continues to be the lifeblood of our financial support. The 1971 Thanksgiving Offering channeled $400,000 into our ministry of child care. Special gifts and bequests from individuals continue to provide for capital improvements. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptist.

Respectfully submitted,

Clyde F. Whitehead,
Children's Home Representative

Baptist Hospital Report

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months—i.e., one in approximately 17,000 applications for admissions—was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects

of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and out-patient clinic, is scheduled to be completed by 1973. . . This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Annuity Board

On March 1, 1972, Mr. Darold Morgan took office as President of the Annuity Board of the Southern Baptist Convention. He succeeded R. Alton Reed who had been chief executive officer of the Board for nineteen years. The change in leadership occurred with the Board having a record of funds held in trust of more than two hundred ninety two million dollars and thirty six thousand retirement plan participants.

During the past year, twenty five percent more was paid twice each year to seven thousand five hundred annuitants as extra benefits and called "13th checks." Many annuitants were also given Good Experience or credits for good experience in investing as active members which added to their retirement fund being built up. In the fifty-four years of existence, the Board has paid out benefits that total $92.1 million, including ten million dollars in 1971. The Board is now in a position not only to meet outstanding contracts with members, but to grant Good Experience Credit as well.

The Annuity Board offers a protection plan for disability, death, and retirement to cover every pastor, church staff member, and denominational agency employee. Many churches help by paying in full the dues of their pastor and staff. These contributions may be made by taking advantage of Plans B and C as well as Plan A, which is the basic plan.

In a day when the pastor's income has failed to keep pace with the increased cost of living which results in many receiving cuts in salary, it is imperative that each church provide security for death, disability, and retirement for their pastors. Nearly half of the churches in the Southern Baptist Convention do not provide retirement coverage through the Annuity Board. In the Stanly Association, forty of the fifty-two pastors and two church staff members are in one of these plans.

The writer of this report, having himself retired from the active ministry as of October 1, 1972, and participated in the Annuity plans for more than thirty years, recommends these plans as the best possible way for churches to provide for the present and future protection of all their employed.

Christian Higher Education

In reporting on Christian Higher Education, it is fitting to give excerpts from the report of the Education Commission to the Southern Baptist Convention, June 7, 1972. Ben Fisher serves as Executive Secretary-Treasurer of the Commission. The Commission assists conventions, agencies, schools and colleges with trustee orientation, accreditation, faculty workshops, institutional self-studies, faculty and personnel placement, denominational relations, adult education, public relations, finances, and administrative counsel.

Baptist schools are experiencing grave difficulties in the matter of rising costs. While other private schools show a drop in enrollment, Baptist colleges on the whole show an increase of more than 2,000 students. Two junior colleges have become fully accredited senior colleges. These are Gardner-Webb in North Carolina and Averett in Virginia. Southern Baptist seminaries agreed on new degree requirements and new degree nomenclature. The Master of Divinity degree has replaced the Bachelor of Divinity and a Doctor of Ministry degree is offered rather than the Master of Theology degree.

Institutional Changes—William Tanner became president of Oklahoma Baptist University. Bobby Barker was elevated to presidency of Mary Hardin-Baylor. George Modlin was elected Chancellor of the University of Richmond and Bruce Heilman left Meredith to Fill Modlin's place as president. John Weems succeeded Heilman at Meredith. Charles Harman of Bluefield College has retired and has been succeeded by Charles L. Tyer.

With regard to our North Carolina colleges we give the following report.

The common goal of our institutions for Christian higher education is to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. The praeyrs and active support of North Carolina Baptists are necessary ingredients in helping the actual and the ideal to adhere more closely together.

American Bible Society

Southern Baptist consider the American Bible Society an essential part of their own world-wide mission program and believe in the missionary importance of giving to the Society. They are active partners together in the task of sharing Christ with the whole wide world . . . a task which calls for the widest possible distribution of the Scriptures.

The Bible speaks to the heart of man. It is the sole purpose of your American Bible Society to provide this Book to men, women and children everywhere, in a language they can understand and at a price they can afford.

In the interest of making God's Word more easily understood, the Bible Society is presently engaged in a top-priority project, the translation of the Bible into everyday speech for the major languages, plus many key secondary languages and dialects. Nearly 50 projects now exist, involving languages and dialects spoken by more than 70% of the world's population.

At the present time, 97% of the world's population can secure at least a portion in their own language and approximately 3,000 translators are at work on some six hundred new translations and revisions. At the close of 1971, at least one Book of the Bible had been published in 1,457 languages and dialects, the complete Bible in 253.

This year ABS distributed approximately 91 million Scriptures within the USA. They supplied 53% of the United Bible Societies' World Service Budget, or 173 million Scriptures. They also increased distribution of complete Bibles to members of the Armed Services through chaplains, reaching 54,000 copies for an increase of 33.3% over 1970.

ABS continues to publish special formats of the Scriptures to meet special needs, for example, the Book of Job in Today's English Version timed to meet the January Bible Study needs of Southern Baptists.

The Southern Baptist Convention and state conventions continue to make resolutions commending the work of ABS and requesting the churches to contribute to the ongoing support by sending their gifts to the State Baptist Convention offices, marked "for the American Bible Society".

Standing Ministerial Relations

What is involved in God's calling of a minister to a church? It is a decision by the church, the minister and the Holy Spirit. Although this is not always easy to interpret there is a way of sensing this at the beginning of the relationship. When a new minister comes he represents the coming of a God-called man to do a particular task.

The church that makes ministers is the one that loves him. The church that breaks ministers is the one that is always sniping and expects him to carry the entire load. He is confronted with many problems of which the congregation is often unaware.

There are problems on the side of the church with which the pastor must likewise be sympathetic.

It is our belief the annual call has been outmoded and is no longer

practical. The rapid change of pastors sometimes alarms us. It can point up a lack of adjustment by either the pastor or the people. We should also consider that it is possible that God wills to have a change of pastors. Each one is different and contributes something different. A different emphasis is sometimes needed.

From the very outset there should be a mutual understanding of what the pastor expects of the church and of what the church expects of the pastor. This extends into the financial agreement as well. The Lord's worker should be free to discuss his livelihood with committees as he seeks a call.

Many problems will be eliminated by consecrated christians practicing democratic procedures. The pastor and people must remember that Christ is the head of the church.

Available information indicates the average salary of pastors in the Stanly Baptist Association is still lagging behind the average state and county household income. The average Stanly County household income is $8,810.00. The consumer price index also gained approximately 3.5% in the past year. This would indicate many pastors receive the equivalent of a loss if they receive no raise to offset it.

We believe many churches should consider the above factors and increase their pastor's salary, if at all possible, and that automobile expenses should be provided.

Housing allowances are necessary when an adequate pastorium is not provided. We recommend churches pay hospital and medical insurance and also call your attention to the fact that when retirement annuity is provided for your pastor the North Carolina Baptist Convention will supplement this by one-third. Other fringe benefits that can express your love and concern for God's servant is to pay his utilities.

The *Biblical Recorder* is nearing the 100,000 mark in circulation—thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the *Recorder* in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the *Recorder*. During the year, Woodrow W. Hill, well-known pastor and writer, came with the *Recorder* as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the *Recorder* message to every corner of North Carolina.

This was also the year that the *Recorder* went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the *Recorder* seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and

the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the *Recorder* in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The *Recorder* will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

N. C. Baptist Foundation Report

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so—Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use any of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is *extending his stewardship in perpetuity.* This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

Sunday School — 1971 - 72

"REALIFE" has been the title emphasis for Sunday School work this year. "Renewal" and "outreach" were the key words and hopefully the goals for every Sunday School leader and member.

Our associational workers attended a regional Realife Conference at First Baptist Church, Monroe. These workers led in our Associational Realife Conference, April 17-18, First Baptist Church, Albemarle.

One of the highlights of our Sunday School work was an Area Bible Conference held in cooperation with the Rowan Association. Morning

meetings were held at First Baptist Church, Salisbury and nightly Bible studies were conducted at Grace Baptist, Albemarle.

During the week of September 25, Sunday School leadership meetings were held in three areas of our county. The emphasis was on outreach and teacher improvement. Rev. Judson Rotan, a State Sunday School Director, led these meetings.

To the associational Sunday School workers who have served with me, I wish to express my appreciation for the excellent job you have done.

W. M. U. Report

This past year in W.M.U. has been one of work, confusion and excitement. With the thought in mind that Jesus has called each of us to be a Missionary, we need to take a second look at Missions. We need to plant our life with a people that hunt.

Our associational leaders have attended Ridgecrest and the workshop at Mundo Vista to prepare themselves for better work. Many officers in our local churches attended a leadership conference at Pleasant Grove. This conference was led by our Associational leaders. We also had a workshop at Fairview for our Mission Study, Mission Support and Mission Action Chairman. This was led by Mrs. Roy Drye, Mrs. James Boles and Mrs. Henry Goforth.

One of the highlights of the year was a Prayer Retreat at Pleasant Grove and Memorial Churches. These were under the direction of Mrs. James Boles. They were a great inspiration to all who attended.

Another highlight was a Girls in Action Mission Fair at First Presbyterian Church under the direction of Mrs. L. L. Ingold and Miss Dianne Burris.

The Acteens have met quarterly under the leadership of Mrs. Bruce McSwain and Mrs. Eugene McIntyre.

The Girls in Action have met quarterly under the leadership of Mrs. L. L. Ingold and Miss Dianne Burris.

The Baptist Women and Baptist Young Women had one meeting each led by Mrs. Clarence Mabry and Mrs. Franklin McNeil.

Our Annual Meeting was held at First Baptist Church, Albemarle. Our meeting for 1973 will be held at Philadelphia Church April 10th.

Brotherhood

The first Associational meeting was held at Anderson Grove Church 28th September 1971 jointly with the W.M.U.

Baptist Men's Day 23rd January 1972 was emphasized with a radio program over station WABZ.

The workshop for W.M.U. and Baptist Men was well represented by Baptist Men and R.A. officers at Pleasant Grove Church 26th September 1972.

Quarterly meetings are planned for all officers and leaders during 1972-73.

The Associational officers will do their utmost to promote and support the needed work of the boys and men of each church.

Music Report

The year that is just ending has not produced any real changes in the work of the Music Ministry in the Association. It is my desire that in the coming year the possibility of some training event will become a reality. The main problem seems to be that of finding a suitable time.

The associational Music Library now has a total of thirty six anthems for use in our churches in the association. Some of the churches have been using this but there are many more who could benefit from the use of it. I hope that more and more churches will use it and that more and more music can be added from time to time.

There seems to have been an increased interest on the part of Youth Choirs in the Association this past year with several sending their choirs on tours of singing and witnessing. We hope to see an even greater interest in Mission tours for the coming year.

We offer the services of the Associational Music Ministry to all of our churches who want to use them. Assistance for your music program is as close as the telephone.

This past year the Associational Music Ministry in cooperation with other Associational organizations provided leadership for "M" Night, VBS Clinic, and of course, our Annual Associational Meeting.

State Missions

The church is commissioned to go into all the world and preach the Gospel of the Lord Jesus Christ. Matt. 28:19-20 and Acts 1:8. As you examine these passages of scripture you will find that the beginning of missions is at home. That is where State Missions begins. In the local community, in cooperation with the Association of local churches. The programs that involve State Missions are Evangelism, Church Programs, Stewardship Promotion, Christian Education, Special Ministries to Cherokee and Pembroke Indians, Promotion and Coordination of World Conferences, Chaplaincies in correctional institutions, Assisting in a Witnessing Program to service connected Orientals and Spanish speaking people. A program of Evangelizing, teaching and counselling with the deaf. Also the support and promotion of Fruitland Baptist Institute. State Missions carries on inner city missions and a special race ministry. State Missions helps churches support a full time pastor when the churches' financial status is weak. State Missions also helps new churches buy a lot, etc. All pastors who are covered by the Annuity plan receives help from State Missions. "State Missions is a cooperative ministry by the churches to people who need God and other churches that need help." Home Missions

Many of the nations longstanding problems dominated the news of 1971 in Home Missions. Such problems as crime and violence, hostility and alienation alcoholism and drug abuse, racial tensions and family problems, plus war and economic stress burdened concerned Christians. Many were encouraged, however by what seems to be a spiritual awakening among youth and by a freshly exposed hunger for God. A favorable climate strengthens our Christian witness.

Those who serve Christ in this nation are placed in the midst of one of the great evangelism and mission fields of the world. With approximately 80 million not identified with any religious group and a high percentage of church members nominally related to the work of Christ, we face needs of the first magnitude, and humanly speaking, what happens in America in a large part determines what happens in the spread of the Gospel around the world.

Missionaries number 2,229. This is close to the same figure as one year ago when the number was 2,222. The rising cost of living and a slowdown in giving affected the mission force.

Programs of the Home Mission Board —

1. Chaplaincy Ministries
2. The Program of Church Loans
3. The Program of Pioneer Missions
4. The Program of Rural-Urban Missions
5. The Program of Metropolitan Missions
6. The Program of Language Mission
7. The Program of Work with National Baptist
8. The Program of Christian Social Ministries
9. The Program of Work with Non-evangelicals
10. The Program of Associational Administration Service

As we think of all these programs may God help each of us as Baptists to pray that God's Holy Spirit will lead us in giving more to Home Missions, that others might know Jesus as Saviour and Lord of their lives.

Foreign Missions

In the Book of Reports, most Associations make reference to a mimeographed form sent them from their State Convention and look at the overall contributions made by the Southern Baptist Convention and console themselves with the fact that, as a group, something is being done in the area of outreach to men and women who do not know Christ and have physical needs which must be met.

This report departs from this standard procedure and brings home to the Stanly Baptist Association the figures on what we have done in the past, with a view to encourage us to do more in the future. Each of us is aware that prices have gone up and that the cost of living increases daily. We should, therefore, be aware that the need for greater concern,

and greater faithfulness, in our giving is demanded of us if we are to progress in our work of reaching out to a world that needs our witness and our help.

In the Book of Reports is the record of contributions received by the Baptist State Convention of North Carolina through the Lottie Moon Christmas Offering for Foreign Missions. Analyzing this report reveals some things which should be called to your attention so that you may continue your good work if this is indicated or be aware of your failure if such is the case. (P-19)

First, this report reveals that eight of our churches gave nothing through the Lottie Moon Offering in 1970, and seven did the same thing in 1971.

Then, this report reveals further, that twenty-six of our churches increased their Lottie Moon Offerings in 1971 over the contributions made in 1970.

It also makes known to us that seventeen of our churches reduced the amount they gave in 1970 in the contributions they made in 1971.

There is little need for any comment on this beyond what is already stated, and past that which is revealed in the report for Foreign Mission offerings provided by the Office of Statistical Services for our State Baptist Convention.

Examine the record. Show your concern. Make this a matter for church action and let your offering for the Lottie Moon Christmas Foreign Missions be one which will reflect your love for God and your desire that all men have the opportunity of hearing about the Savior He has provided.

Alvin F. Butters

Church Training Report

Our association has not been too active in Church Training this year. The major activity was our "M" Night held at the Grace Baptist Church with a very good attendance. The emphasis was on youth (and their parents) and featured the Associational Youth Choir under the leadership of Mr. Herbert Gray. The choir led the congregation in singing and presented several special selections.

The speaker for this occasion was Mr. Albert Long, a leading Christian athlete from Durham, N. C. (a four letter man at UNC-C a few years ago). He was well received by both the youth and the adults.

A fellowship and refreshment period was enjoyed by all in the fellowship hall following the program.

A series of conflicts, postponements, and finally—cancellation of the Youth Night Program seemed unavoidable. Our hope is that a greater participation in all phases of the Church Training Program for 1972-73 will be promoted by the association and each of our churches. The Church Ministries and Training Department has a broad and challenging program for all of us.

Our best wishes and prayers go with our 1971-72 Director, Rev. Roy P. Taylor, as he enters full time evangelism. We pledge our support and cooperation to Mrs. Austin Pate, our new Director, as she leads us in the coming year.

Memorial Service

Another year has passed since we last came together in our annual Associational meeting. A number of our friends and loved ones have passed on into the great Eternal Glory of our Lord, since we last met. Probably some of them were present with us in person at our last meeting, but now they all hover about us in spirit. What a great cloud of witnesses are looking in on us today, as we are here in this our annual Association.

It is indeed with appreciation that we pause at this moment to honor their memory with deep gratitude in our hearts. May we never forget them though they have departed from our midst, and with bowed heads today we salute them with a well done thou faithful servant. It was Jesus who said unto us "Be thou faithful unto death and I will give thee a crown of life".

The following poem which I read sometime ago expresses our deepest affections to them:

Our golden chains are broken
And the missing links are gone
And we will miss them, oh so much
But we will try to carry on.

Our God will call us all one day
And we must answer the call
But we will all meet again another day
After our life here is done.

They leave our hearts so lonely
And broken up inside
But we will be together
When the gates are open wide.

And though we bow our heads
And all of us feel sorrow
We will all look forward to that great and glorious tomorrow
When we all can meet together in that home beyond the skies.

Author Unknown

Will you stand in deepest reverence, as I read the names of our departed friends and loved ones from each church of which they were members.

Report of the Resolution Committee

Whereas, the 88th Annual Session of the Stanly Baptist Association in North Carolina, has been a time of inspiration, encouragement, and challenge

BE IT THEREFORE RESOLVED:

That we, the messengers and visitors of the Stanly Baptist Association, extend our heartfelt appreciation to our Moderator, Clerk, and other officers of the Association for the excellent manner in which the proceedings of this Annual Session were conducted.

That we express to our Superintendent of Missions our appreciation for the work that he has done to assist in making this meeting meaningful, and our fervent hope that God will continue to be with him in his work, and with him and his family in the days which are ahead for all of them.

That we express our gratitude to the program committee for a well-planned session and for their choice of men to bring messages to the meeting.

That we express our appreciation to those who presented special programs of music for their inspiring contribution to the meeting.

That we express our appreciation to the Memorial Baptist Church and the Mission Baptist Church for their fine spirit of Associational cooperation in hosting the meetings and for the delicious food and fellowship which each of them provided.

That we express our appreciation to the media of news and radio in the Albemarle area for the publicity provided our annual session and the contribution that they make to the work we attempt to do during all the days of the year.

That we express our appreciation to each messenger and visitor who was in attendance at the 88th Annual Session of the Stanly Baptist Association and made the meeting a successful venture.

And finally, in the belief that Christian men and women should have and hold political office, we do urge each messenger and visitor to study the candidates seeking office in the forthcoming election and vote for the man whose Christian character is a definite asset to him in his performance of the work which he deserves to do in local, state and national office.

The following resolution was approved by the Stanly Baptist Association at its 88th Annual Session on 18 October 1972.

History of Memorial Baptist Church

In the beginning a group of believers met together in homes for prayer and on November 24, 1968 held their first worship service at South Stanly High School in Norwood, with the Superintendent of Missions, Rev. Clifton Dunevant, as speaker.

Memorial Baptist Church was organized on March 26, 1969 with 150 charter members, after a week of revival services held in the Norwood Presbyterian Church. The Rev. A. S. Hale, retired minister from Winston-Salem, was called as interim pastor and served until December of 1969.

A building site was selected on Pee Dee Avenue and groundbreaking services were held on November 30, 1969. The first spadeful of earth was turned by Mrs. W. A. Hough, Sr., who heads the list of charter members and is now one hundred and one years of age.

Several months after the completion of the building formal dedication services were held on March 28, 1971.

The Rev. Nathan W. Fox of Virginia was called as pastor on October 21, 1969 and moved to Norwood in December.

The church has been incorporated according to the provisions of its constitution and has a membership of 265 and a Sunday School enrollment of 288.

Organization and Early History of Mission Baptist Church

In the year of 1876, W. T. Swinson purchased land and moved to Cabarrus County. In the area he found one person who was a Baptist, Thomas Pinion, but no Baptist services were being held. Mr. Swinson and his wife, who were both Baptists, felt that some work needed to be done. Since he was unable to read, he would have someone read the Bible to him and he would hold prayer meetings in the homes. This method of worship continued for several years.

In 1880, Rev. E. P. Harrington was contacted about coming to preach in the community. He arrived and found it to be a field that needed Christian work. In fact there was a liquor shop on the corner and a gambling place where the present church now stands. He consented to accept the challenge to see what could be done.

A date was set for a service and he preached the first Baptist sermon in the community.

Mr. Swinson and others erected a brush arbor and named it Elizabeth in honor of the only Baptist woman in the community. W. M. Honeycutt was secured to help in revival services there.

With only three Baptists in the community, holding services was a difficult task but these people had faith in God and continued to work and gain respect in the community.

Several revivals were held before the leaders requested being recognized as an arm or mission. In May, 1883 the small Baptist group was received as a mission of Canton Baptist Church with Rev. E. P. Harrington as pastor. By October the mission was organized into a church by the name of Elizabeth with the following Charter members: W. T. Swinson, Elizabeth Swinson, Thomas Pinion, W. J. Blackwelder, L. M. Dry and Nelson Shoe.

After the organization of the church, the members erected a brush arbor near the John Herrin spring. They worshipped here and at two other nearby locations in the community for several years. In 1895 they moved to Mission and chose to change the name Elizabeth Baptist Church to Mission Baptist Church.

In the latter part of the year they decided to build a house of worship and elected a building committee. Daniel Page gave 500 ft. of weather boarding.

J. W. Herrin owned a tract of land with a great deal of timber on it. Mr. Herrin, his wife, and others began to cut timber for saw logs and shingle timber. He and the pastor made all the shingles except 300 which Moses Rice made.

After a great struggle there was a skull of a house with no windows, sashes, door shutters or seats. The weather boarding had been dressed by hand.

In a union meeting an offering amounting to $17.00 was collected for the purpose of purchasing window sashes. All sashes were paid for from this offering except the sashes for the small windows beside the pulpit which were given by Morrow Bros. & Heath Co. Mr. Jacob Love made door shutters. The temporary seats were made of planks. In 1904, used benches were purchased for forty dollars.

The first building was completed in 1910. Another building was erected in 1924.

This building was used until 1970 when it was removed to make room for a new sanctuary.

Recent History of Mission Baptist Church

We felt the need for a church parsonage with the pastor living in our community, so in 1952 our present parsonage was built. Rev. Herman Lewis was pastor at that time and the first to occupy it.

As we grew in number, we realized the need for new and better educational facilities, and under the leadership of Dr. C. C. Burris in 1956 we built our present educational plant.

Soon we saw the need for a place of christian fellowship, and still under the leadership of Dr. Burris we erected our present fellowship hall in 1962.

Even before we did this, we were anticipating a new and beautiful sanctuary and had a fund for that purpose.

In June, 1966 a planning committee was appointed to study and secure plans to present to the church.

In September of 1969, under the leadership of our pastor, Rev. Floyd Helms, Jr., we met in conference and voted that we would have $60,000 before starting our building program. At that time we had approximately $23,000 in our building fund.

This seemed a tremendous task, but on that same day in the morning worship service many of our people had walked the aisle pledging to support our program with their tithe. With this encouragement and much prayer we went to work. By June of 1970 we saw our goal in sight and made plans to remove our old church building to make room for the new sanctuary. The first week in July, 1970, we moved into our fellowship hall to use as a place of worship and the old building was torn down. Construction began the first week in September, 1970.

The first service in the new sanctuary was held on the last Sunday in June, 1971. The dedication service was held on the third Sunday in August at 3:00 p.m. The pastor, Rev. Floyd Helms, Jr. and three former pastors, Rev. Coy Muckle, Rev. John Simpson and Rev. Herman Lewis, participated in the service. The dedication message was delivered by Rev. John Simpson.

19 — Mr. Allen A. Bailey, representative from Christian Action League, spoke of the vital issue on November 6 election. He urged the people to become involved. The Liquor-By-The-Drink is a vital issue. More outlets in North Carolina will create more problems, with more liquor. He gave statistics of other states who were selling liquor-by-the-drink, an increase of 75% since they voted in this sale.

20 — Following Mr. Bailey's message, the Stanly Baptist Association voted to give an offering to support the Concerned Citizen's Christian League opposing Liquor-By-The-Drink. This offering was 50% for Association and 50% to support the Christian Action League of North Carolina.

21 — Members of the Male Chorus of Grace Baptist Church sang "Sweet Peace".

22 — The annual sermon was brought by the Reverend George Huggins, from Amos 6:16: "Woe to them that are at ease in Zion". He challenged the church to take a look at the characteristic problems of this day, good attendance, good offerings, but it is having little effect on the moral society of today. Israel was at ease in Zion and that brings a false sense of security. Prosperity never solves problems but raises more problems. When is it wrong to be at ease in Zion? When we place our trust in external things and lead us away from God. We care less for the unfortunate people, there is violence, luxury, pleasure seeking, and pride. Our nation was founded upon a faith in God, our need today is to take a stand, return to the faith of our forefathers. What kind of heritage will we leave to our children? Pride goeth before the fall, our greatest need is a Heaven Born Revival. A new

direction by God's chosen leaders and the outpouring of the Holy Spirit, with honest, faithful God-fearing servants proclaiming His Word.

23 — Rev. Howard Laney led the closing prayer.

Without the indwelling of His Spirit we do not have a church. God's Church is a worshiping, working, and witnessing

Report of Credentials Committee

It is the recommendation of the Credentials Committee that the Messengers of affiliated churches of Stanly Baptist Association be seated. We express our profound gratitude for every endeavor within our Association for the glory of God. The Committee acting out of a desire for even greater cooperation suggests to our pastors and churches the following:

1. That we give careful attention in the area of support and cooperation, especially Associational Missions and Cooperative Programs.
2. That we be aware of the numerous false doctrines being propagated in our time and give diligence to our distinctive Baptist beliefs so that we will not be "carried about with every wind of doctrine."

Therefore, the Committee wishes to call attention to Article IV of the Constitution which states in part "An affiliated church shall be one supporting the denominational program, the doctrines, policies and practices of the association."

Respectfully submitted,
Rev. George Huggins, Chairman
Rev. J. T. Baker
Rev. Ivey Smith
Rev. L. A. Faulkenbury

Report of the Executive Committee

The Executive Committee of the Stanly Baptist Association has met during the past year as directed by the Constitution. The Committee reports the items acted upon as follows:

1. The Executive Committee approved a motion that "the Stanly Baptist Association sponsor a Deacon-Pastor School at the earliest feasible date." A planning committee composed of three pastors and three deacons was appointed by the moderator.
2. The Missions Committee was asked to draw up some guidelines concerning the sending of flowers and messages of sympathy at the death of a pastor or associational officer. The following guidelines were recommended and approved:
   a. The Association will send a wreath of flowers at the death of a pastor or associational officer. The moderator will be responsible to see that this is done.
   b. A message of sympathy will be sent at the death of a member of the immediate family (husband, wife, children, father, mother) of a pastor or associational officer. This shall be done by the Associational clerk.
3. The Executive Committee went on record as opposing the establishment of ABC stores in Albemarle and Liquor-By-The-Drink in North Carolina. This action was made public in the "Stanly News and Press".
4. The Executive Committee approved the following ministerial students for Ministerial Aid:
   Charles Burleson, Canton Baptist Church
   Allen Davis, Locust Baptist Church
   Leon Whitley, Philadelphia Baptist Church
   Ronald McCrary, Kinza Baptist Church
5. The Missions Committee was instructed to "search out and employ" a secretary for the Associational office.
6. A committee was appointed by the moderator to "study the problem of providing meals for our annual meeting and bring back recommendations for consideration."

Evangelism Report

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte, February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

The Division of Evangelism has encouraged churches to participate in KEY 73. One hundred and fifty denominations are sharing in this evangelistic effort. The purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

It is thrilling what the Holy Spirit is doing through the ministery of our first summer youth evangelism team. Three college students, Steve Stout, Cooleemee; Terry Crouse, Lenoir; and Christy Farrior, Williamston, are leading in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms, C. P. gifts, Bible Study enrolment and Associational Missions gifts.

Cooperative Program — Stewardship Report

There is a real need to revitalize within Baptists the claim of Christ to actively support his Great Commission to teach and witness to the whole world as our one purpose. The 1973-74 Cooperative Program theme is "Operation One: One Lord, One Mission, One People". The emphasis is designed to bring about this revitalization.

Operation One is an effort to familiarize every Southern Baptist with the mission needs of the world and challenge them to respond in a positive way through greater involvement in mission giving. Each church is challenged to increase its gifts through the Cooperative Program by at least 1% of the total church budget income and to increase associational mission giving.

In our state we have a goal of $8,750,000 for the Cooperative Program. Of this amount, 33⅓% will go to Southern Baptist Convention causes. During the past year the churches in our association gave $82,435, through the Cooperative Program. If every church in our association will increase their Cooperative Program giving by at least 1% of the total budget income we can give $83,435 through the Cooperative Program next year.

Report of Superintendent of Missions

This has been a year of limited activity for me personally, and yet a time of rejoicing to see co-workers doing so well in moving forward. Your cooperation and patience in carrying extra responsibilities have made this possible; and our secretary, Mrs. Albert Miller, has been most helpful and responsible—sincere thanks to her. (Please pray for the committee now seeking to work out plans for secretarial help for the future.) Each one has been an inspiration and we believe God has blessed us in our efforts together. What this association has meant to me and my family since our auto accident August 20, 1972 is more than my words could ever express—"Thank You, and God Bless You."

There seems to be a growing awareness in the need for "in depth" Bible study; and it is our hope that **together** we can make this next year a time when we may feel the Holy Spirit's presence in our commitment to Bible study and Bible teaching. Help us to pray for this and help us to lead multitudes to be **involved** in this effort. Our Teacher Improvement Workshop March 26, 1974 will be just one of our plans to help in this area. January Bible Study Teacher Preparation plans have already been announced. Help us proclaim **God's** Message for **our day.**

Let us seek to **follow God's leadership through the Holy Spirit**—for in **this** we can rejoice in our togetherness with each other (Christ centered unity). Lead your church to join in **"Together We Advance."** Unity in Him is worthy of our every effort here and throughout our world.

Thank you for each opportunity to serve our God and you, in the association, in the churches and individually during the year. For your help, love gifts, encouragement (morale boost), love and prayers we Thank God and You. We believe the new year is to be a better one for us.

Respectfully submitted,

J. Clifton Dunevant

Baptist Hospital Report

The 50th anniversary of Baptist Hospital was celebrated in May of this year with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovations of older sections of the hospital are completed, the total number of beds will be 717.

Construction is underway for an ambulatory care building which will house the emergency room, several out-patient clinics, the physical therapy department and an oncology (cancer) clinic and research laboratories.

The hospital has been seeking to implement the recommendations of the committee of 15 which was adopted by the State Baptist Convention in November of last year.

There has not been a general room rate increase in 2½ years and the hospital is operating in the black.

Forty-one (41) of our Baptist Churches in the Stanly Association contributed to the Mother's Day Offering this year. These forty-one churches contributed $5,851.37. This offering will be used only for assistance to those who cannot pay.

Baptist Homes for the Aged Report

I am glad to report that our Baptist Homes in North Carolina continue to grow. Twenty-two years ago a Home for the aging was begun on a small scale in Winston-Salem, because a man like James M. Hayes, and others, had a vision of what should and could be done for the aging people. This did not come to pass without a struggle, because many who could have helped did not think it worthwhile. Many others even opposed the idea. Mr. Hayes did not let this stop him. He knew that all worthwhile projects begun for the good of mankind had battles to fight, but by the help of the Lord victories could be won.

Now we have a total of five homes, two in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem with a capacity for 63 patients, and serving all the Home's residents when nursing care is needed.

One of the Homes is right here in our Association, and we are very proud of it. Visit this Home sometime and see how well the aging are being cared for. You will not only be a blessing to them, you will receive a blessing also.

Let us as individuals and churches do all we can to support this worthy cause with our means and with our prayers. Check your last years record, and see if your church gave to the Baptist Homes. If it did not, don't let this happen again this year.

Baptist Children's Home of North Carolina, Inc.

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

Each of the three administrative areas has realized significant growth. In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration building and the recreation building. The Maternity Home continues to operate at or near capacity in its service to unwed mothers. In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

Three pressing needs are laid on the hearts of Baptists who are concerned for our ministry of Christian child care. (1) We need many families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call the nearest office of the Baptist Children's Homes. (2) The increase in the cost of food, clothing, supplies and services make the Cooperative Program and Thanksgiving Offerings all the more important to our continuing services. We need significant increases in both to meet rising costs. (3) Several old cottages remain which need to be replaced with new cottages better suited to present patterns of child care.

Annuity Board

The Annuity Board this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants on the roll December 31, 1972, monthly income checks have been permanently increased by 6 per cent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits.

More than 9,000 insurance policy holders transferred from the previous Health Benefit Plan with Blue Cross-Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time.

Income from premiums and dues topped $30 million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Report on Americans United

Americans United since 1947 has fought to preserve the separation of Church and State. This organization is capable, as Baptists are not, to take the legal action in case of violation of the first amendment.

Americans United has just finished one of its toughest years. The Department of Internal Revenue has revoked its tax exempt status because it attempts to influence legislation. This has reduced contribution at a time when Catholics are pressing for favorable laws granting aid to parochial schools. While funds are welcomed from all who hold to this principle, Baptists are the chief supporters because this is one of our basic doctrines. A small amount in the budget of each church would more than keep the work going, but many are not informed as to the need. Will you go back to your church and try to find a contribution for this work? The line must be held and Baptists must provide the means.

American Bible Society Report

The continued growth in population of the world and the increase of young families and youth, has presented a challenge for religious literature, as never before experienced. Especially this is true of the "Holy Scripture", the Word of God. The Bible speaks to the soul of every person, it opens the heart and mind to receptive knowledge of God's creative work and his continued will through the Lord Jesus Christ and Holy Spirit.

Since the Denominational organizations cannot reach the supply and demands; they heartily cooperate with the American Bible Society; an independant translating and printing society.

They further urge prayerful and financial support to A.B.S. in support of sales and distribution of the Bible and other religious tracts and literature.

Southern Baptists are well represented in the study, translation and editing of the works of American Bible Society, and have for many years considered them as essential co-workers in the world wide mission program.

The following statistics are inspiring and informative to us who regard the activities of this organization as worthy of our support. For 1972 they published: Thousands of copies in King James and American Standard versions; Have 3,000 translators working on 600 new translations for other languages; Have published 50 different translations of "Good News" for other common languages; Made portions of Scriptures in 1,250 languages and dialects; Provided 704,849 copies of Scripture in braille, records, tapes for the blind.

The list continues and the needs must be met. Contributions for American Bible Society are sent to Baptist State Convention, Raleigh, N. C. and should be **designated.** Last year Southern Baptist Convention Churches contributed $233,752. Stanly Baptist Association urges our help." That we may "Share Christ Through His Word."

Report on Christian Education

Baptists continue to provide Christian Education through institutions beyond the high school level. We feel strongly that there is a need for denominationally aligned colleges and seminaries. Much of the finest leadership in our churches comes through persons educated in our Baptist schools. During the past year schools received $20,205,192 from the state conventions and the Southern Baptist Convention, or a decrease of $2,430,811. Donations, gifts, and grants totaled $22,794,302, increasing by $343,720 over the previous year. Endowment increased to $302,915,563 or $72,450,841 more than 1970-71. Total assets were $829,523,034 or $74,048,135 more than the previous year.

In all schools there were a total of 9,136 ministerial students, 1,612 Home and Foreign Mission volunteers, 2,124 education volunteers, 1,852 music volunteers and 1,714 in other church vocations. Southern Baptists have 44 Senior Colleges and Universities, 10 Junior Colleges, 6 Seminaries and 1 supported jointly with National Baptists, 8 academies and 4 Bible Schools.

Our own North Carolina Schools are Chowan, Wingate, Campbell, Meredith, Wake Forest, Mars Hill and Gardner-Webb. Then we are fortunate to have Southeastern Baptist Theological Seminary at Wake Forest.

For the first time in history all our colleges are fully accredited. Total enrollment showed an increase of more than 5,000 students over 1971, all seminaries showed an increase in enrollment. Pray for and support your schools with your cooperative program gifts and special gifts.

Christian Literature Report

I am sure I speak for most of us who teach and work in various phases of Baptist church work that the literature available is comprehensive, thorough, and abundantly adequate for the needed assistance to do the job well.

This has been another good year for the "Biblical Recorder", thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000—the highest in the 140-year history of the "Recorder". This has been achieved largely because more churches are putting the "Recorder" in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the "Recorder" each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible—one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptist are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Bruin has covered every meeting of this committee which is studying the baptism issue in our state. The "Recorder" will carry the full report of this committee 60 days before the convention meets in Greensboro. The "Recorder's" coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way—full information which comes with freedom of the press.

As you know, the "Recorder" has for years led the fight against liquor-by-the-drink. Now the issue is up to the people in a statewide referendum on November 6. The "Recorder" will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor-by-the-drink if this passes—which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the "Recorder" is, a great victory for decency will be won in November.

Those of you who don't get the "Recorder" should subscribe immediately, either by putting the "Recorder" in your budget for only $2.50 a year or by starting a club of four or more for only $3 a year. Where else can you get so much for so little?

Sunday School Report

Our Associational Sunday School leadership seeks to aid every church in promoting better and more effective Bible teaching. The two major areas of emphasis concerns the training of Sunday School teachers and V.B.S. workers.

Every church in the Stanly Association has a Sunday School and almost every church conducts a V.B.S. each year. In some cases, two churches could combine in a joint V.B.S. effort. This would enable every church to provide a bonus period of challenging Bible study for its people.

The department leaders spent three days at Wingate College for the state V.B.S. clinic. We then provided a pre-clinic for pastors, S. S. Directors, and V.B.S. Directors. Two V.B.S. clinics were held for all workers. — (one morning, one night).

Two Sunday School officers and teacher training clinics are planned for next year: October 15, 1973 and March 26, 1974.

Church Training Ministries Report

In the past year the Department of Church Ministries and Church Training, was in the process of change and will continue to make change until it is equipped to perform all the tasks of a church.

It has been a year of challenge, confusion, work, learning and joy for your director.

One of our activities was "M" Night held at Anderson Grove Baptist Church with a good attendance. Layman and coordinator of Lay-Led Revivals Tom Allen of High Point spoke on the subject, "Trained To Serve".

The other activity and highlight was our "Youth Night" held at Canton Baptist Church. The theme of the program was, "God Loves You". Our youth of the Association provided the music singspiration, and testimonies. Our speaker was Joe Dale Rust minister of music and youth at North Kannapolis Baptist Church. He was well received by our youth and adults.

A fellowship and refreshment periods were enjoyed by all after the program.

We all have a challenge and duty for the new year 1973-74. Enroll now in the church, the Sunday Night Place promotion and recognition plan. To rediscover that the Lord's Day is all day Sunday. Can you imagine what would happen in our Baptist Association if every church had a vibrant Sunday evening program of worship, fellowship, and training? This can happen if we make church The Sunday Night Place.

There will be a Church Training Workshop for our Association February 11 and 12, 1974. I urge everyone to attend. Also, I want to thank everyone for your prayers and support in my duties of Church Training work.

Respectfully submitted,

Mrs. Austin V. Pate.

W. M. U. Report

The Southern Baptist Convention theme for 1972-73 has been, "Living The Spirit of Christ in Faith and Conquest." Woman's Missionary Union has tried hard to help carry out this theme by placing emhpasis on Enlistment and Enlargement.

Our Associational officers worked and studied to prepare themselves to be better leaders. Some of them attended conferences at Ridgecrest and Mundo Vista.

A Leadership Conference and a Workshop for church officers were held at Anderson Grove. These conferences were led by the Associational officers.

Three of the most inspiring meetings of the year were the Prayer Retreats that were held at Calvary, New London and Oakboro. Another inspiring and helpful event was the Mission Endeavor at South Albemarle Church. The Girls in Action from different churches had displays showing the different phases of our Baptist work.

The Girls in Action and the Acteens met quarterly under the leadership of the Associational Directors.

The Baptist Women met at Grace Church for their annual meeting. Mrs. Clarence Mabry was in charge of this meeting.

The Baptist Young Women met at Pleasant Grove for their annual meeting. Mrs. Franklin McNiell was in charge of this meeting.

Our annual W. M. U. meeting was held at Philadelphia with good attendance. We will meet next year on April 16, with Memorial Baptist Church.

Brotherhood

The workshop for W. M. U. and Brotherhood was well attended by the Baptist Men and R.A. Officers at Anderson Grove Church 25th September 1973.

The Brotherhood Director and The Baptist Men's President attended two workshops at Camp Caraway for leadership improvement.

It is the officers goal this year to encourage the men of the association to become more involved in our ultimate task of missions, working hand in hand with the W. M. U., Sunday School, and Training (Church).

Respectfully submitted,

Homer W. Tindall, Sr.

Associational Music Report

The main purpose and goal of the Associational Music Director is to be available to assist any church when called upon. It is my hope that churches will feel free to call for assistance any time concerning music schools, clinics, etc. We will try our best to help or find someone who can assist you.

I would like to project an associational-wide Junior Music Workshop, to be scheduled some time in the early spring. This I believe will give a choir experience to boys and girls who have never had a choir experience and add tremendously to their spiritual lives. This I hope can be one goal that we can work toward. I would also like to project an associational-wide carol sing at Christmas. These projects along with others as we move into the year will make our being together more meaningful.

The association would like to welcome Mr. Royce Walsh as full time Minister of Music at Grace Baptist Church.

State Missions Report

The churches are on mission to people under the Lordship of Christ—Matthew 28:19, 20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, Home and Foreign Mission Boards. There is a ministry of State Missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church. Such specialized ministries include work at Cherokee and Pembroke, promotion and co-ordination of World Mission Conferences, support of part-time chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching and counseling the deaf.

Also included is a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of

Christian social and evanglistic concern. State Missions continues a specialized ministry with other races.

New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

Respectfully submitted,

Rev. Howard Benoy

Home Mission Report

Matthew 28:19: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."

As we read the scripture recorded in Matthew 28:19 the trend is to think of teaching all other nations except our own. This is far from the truth. Jesus taught his disciples to begin in Jerusalem and go to Judea, Samaria and the other parts of the world. Let us not forget about our own nation and our spiritual condition. We need to reach into the mission fields of home and find the lost for Christ.

Two years ago the missions force was 2,229. It is now 2,200. This is a shortage of 29 missionaries. There are 150 qualified persons waiting for funds to support Home Missions work, but due to inflation no funds are available. This has not stopped us from forwarding God's work. Through volunteer forces involving laity in evangelism, social ministries, and church extensions a force of 125,000 has been activated. Due to this new concern for souls of men a new record in baptisms has been reached at 452,000, an increase of 23,000 souls. A few of the programs responsible for reaching souls for Christ are:

1. Spring Street U. S. A., an evangelistic television outreach.
2. "JOY", a Home Missions musical.
3. The Student Summer Missions Force of 1,002.
4. Operation Denomination for Chaplains which involved 882 chaplains in denominational work.
5. Extend Now, a program helping to support 450 churches with Pastoral Aid.
6. Language Missions, a program supporting 1,000 missionary personnel which are working with Arabs, Yemenites, Samoans, and preparing materials for the Spanish, Chinese, Navajo, Hungarians, and Romanians. These have also written a new manuscript and hymnal for the deaf.
7. Mission Actions Workshops numbering fifteen were conducted by the Women's Missionary Unions.
8. Pamphlets numbering 180,000 were distributed on topics of various religious groups.

The above are a few of the things accomplished in the past year. Some are sad, but many are encouraging. What do we propose for the future through Home Missions Forces? Who will find the lost sheep on the mountain, put it on his shoulder and bring it home? Who will help? Who will pray? Who will give? These questions and many more must be answered in the future of Home Missions for Christ in the Southern Baptist Convention, Stanly Association, churches, nations and our world. We are commanded by Jesus Christ. Will we fulfill those commands?

Kenney Wallace

Foreign Missions Report

During 1972-73, the following amounts were received by the Board in Richmond:

Cooperative Program	$16,319,959
Lottie Moon Christmas Offering	$17,500,000
TOTAL	$33,819,959

About 75% of this total (**circa** $25,010,606) was spent in direct support of our Foreign Missionaries.

Growth of the Lottie Moon Offering parallels and stimulates the growth of the Cooperative Program. In 1972 the Cooperative Program brought 43.04% of the total gifts received by the Board, while the Christmas Offering brought 50.19% of all gifts.

Two of the specific items for which the Lottie Moon Christmas offering funds are used are:

1. The basic salaries for 700 missionaries.

2. The construction of essential buildings on mission fields.

Be advised that: Our overseas mission effort is pointed toward the 95% of the world's unevangelized people, but receives not quite 4% of the total missions funds and less than 4% of our personnel.

The 1973 Lottie Moon Offering goal is $20,000,000.00 This amount will necessarily **supplement** the Cooperative Program funds. (However, until the rise of our spiraling inflationary home economy is halted, both Cooperative Programs and Foreign Missions offerings will need to be increased from 7 to 10% annually in order to meet demands, especially in view of the devaluation of the dollar **overseas.)** On the occasion of the 100th Anniversary of the bginning of Lottie Moon's ministry in China, let us strive to return a worthy offering within our association as a tribute to her, and our love for lost souls.

I urge every pastor and church officer to read "Needed: A Clear Distinction" (proposing a World Missions Strategy), by Dr. Winston Crawley, of our Foreign Mission Board, and printed in the Commission of September, 1973. This article helps us to see that **we are called** to be **missionary,** not just in name, but in actions aimed at saving lost souls. Taking Acts 1:8 as our marching orders, let us provide **a five-pronged outreach** as our strategy to achieve **our world missions** commission. In the light of Acts 1:8 we might well consider **our strategy** to be MISSIONS outreach taking in these areas: COMMUNITY, ASSOCIATIONAL, State, Home, and Foreign.

C. R. HINTON

Each year that passes takes from our midst a number of those who are dear to our hearts, and have walked with us through many of the paths of life whether in good times or difficult ones. Those whom God has taken since we last met are now enjoying the inheritance which Christ has been preparing for them for these nearly 2,000 years. Paul says in Philippians 1:21b "to die is to gain", and truly they have gained that which they had been preparing themselves to attain in this life. The circle which was broken for them while here was united when they reached heaven. It must have been a happy time for them. While it is our loss in having to give them up, but truly it was heaven's gain to receive them.

I think that the words in Edward Pollock's poem "The Parting Hour" expresses what we would like to say about our deceased friends:

"There's something in 'the parting hour' will chill the warmest heart—Yet kindred, comrades, lovers, friends, are fated all to part; But this I've seen—and many a pang Has pressed it on my mind—The one who goes is happier Than those he leaves behind."

"God wills it so, and so it is; The pilgrims on their way, Though weak and worn, more cheerful are Than all the rest who stay. And when, at last, poor man, subdued, Lies down to death resigned, May he not still be happier far Than those he leaves behind!"

Now as I shall read the names of each deceased one from our churches, will you stand with your heads bowed in earnest prayer to God for what they have meant to us while here on earth.

Report of the Resolution Committee October 24, 1973

#I

WHEREAS, the 89th Annual Session of the Stanly Baptist Association in North Carolina, has been a time of inspiration, encouragement, and challenge Be it therefore resolved:

That we, the messengers and visitors of the Stanly Baptist Association, extend our heartfelt appreciation to our Moderator, Vice Moderator, our clerk, Mrs. Roy Drye and other officers of the Association for the excellent manner in which the proceedings of this Annual Session were conducted.

WHEREAS, Baptists have historically been in the forefront of the effort to educate our youth, and,

WHEREAS, adequate buildings and facilities are necessary for the purposes of education, and,

WHEREAS, the state of North Carolina, being better able to bear the costs of school construction than are local governments, has proposed that the voters of the State approve on November 6, 1973, the issuance of Three Hundred Million Dollars in State Wide School Construction Bonds and of this amount Two Million, Four Hundred Thousand plus, will be available for school construction in Stanly County, which amount, if it had to be provided from local sources, would put an intolerable burden upon local taxpayers, now,

Therefore, be it resolved that the messengers to the 89th Annual Session of the Stanly Baptist Association do commend to the voters of Stanly County the purposes of this bond issue and recommend that they support it with their vote on November 6, 1973.

#VI

Inasmuch as our Secretary of State, Thad Eure, has in recent days called upon the pro-liquor-by-the-drink groups, their campaign offices, and headquarters to submit to him the names of their sources of income for their campaign, and

WHEREAS, it is generally believed that the distillers of alcoholic beverages throughout the nation are providing money to help the liquor-by-the-drink campaign, but for their own monetary gain, and

#VII

WHEREAS, we the Stanly Baptist Association of Churches, do hold our Lord's Commission given in Matthew 28:19-20, to be a commission to us as individual Christians, as individual churches and as an association of churches and

WHEREAS, we believe this commission places upon us the responsibility to help equip and fully support those men and women whom our Lord has called out to be "his sent ones" with his Gospel of Salvation, and

WHEREAS, we are aware of the inspiration which comes to us, and especially to our children and youth, through the information shared and the fellowship with our Lord's missionaries, and

WHEREAS, we believe that having our Lord's missionaries among our fellowship of churches serves to maintain a more lively awareness and concern in these latter days for world evangelization through us and

WHEREAS, we can work with the Foreign Missionary Board, SBC, Department of Promotion and Furlough Ministries to help the furloughing missionary in his New Testament responsibility of reporting to the sending churches what God is doing, and

WHEREAS, housing is a basic necessity for each missionary family on furlough

Therefore, as an association of churches, we do hereby resolve that, once we are thoroughly convinced that we are fully and adequately providing for the housing, salary, benefits, and all other reasonable basic requirements of our Superintendent of Missions, that then but only then under the guidance of our Executive Committee and other persons or committees appointed by the Executive Committee, we shall do the following:

1. Give serious consideration to taking definite steps to provide a house in Stanly County, to be made available to the furloughing missionaries of our denomination,
2. Seek to have a foreign missionary family one year and a home missionary on assignment if need be on each alternate year, and
3. make full use of the ministry of each year's "missionary in residence"

This resolution is presented with the following conditions attached to it:

1. That the resolution shall not be printed in the minutes of this session due to the cost involved, but
2. that this resolution shall be made available to our Missions and Executive Committees as soon as possible, and

History of Plyler Baptist Church

Philmore Whitley, Sandy Morris, Edmond Thompson, Loney Morton, Brack Poplin and Martin Hahn decided to start a Sunday School at the Hatley House at 2:00 o'clock on Sunday afternoon; the day and month is not recorded. The year was 1907.

On October the third, 1908, a meeting was called for the purpose of the organization of a church. The presbytery was composed of Reverends D. S. Morton, C. J. Black, and E. M. Brooks, meeting at the Hatley School House, located about 1½ miles East of Plyler. The Church was known as Antioch Missionary Baptist Church, but with the offer of some land on which to build a building in which to worship they decided to accept the land and move to the present location (known as Plyler), and the name was changed to Plyler Baptist Church. Canton Baptist Church was the mother Church. However, a few members came from the Kendalls and West Albemarle Churches. The land was given by Mr. Luther Lowder.

The Church met in its first business meeting on Saturday before the third Sunday in October, 1908, and a building committee was elected. The Church had its problems as any Baptist has. There was dissension as to the location of the Pulpit and one deacon resigned. The Church did not accept his resignation and the Pulpit was located at the proper place in the building.

The first building was destroyed by a wind (twister) in 1931 and was rebuilt during the same year. This building was added to several times.

In May, 1967, Rev. F. G. Alford, the present pastor was called and under his leadership, the present Church building was built, and the old one was removed.

The first service was held in the new Church on Sunday morning, September 24, 1972, with six additions being made.

The Plyler Baptist stands as a testimony to those of the past and the present that we "can do all things through Christ Jesus our Lord." It continues to grow and fill its rightful place in the community and the world because of the dedication of its faithful members in carrying out the Great Commission of Jesus Christ.

History Of Anderson Grove Baptist Church

In 1854, 16 persons from the Kendall's Baptist Church of Stanly County, organized the Liberty Hill Missionary Baptist Church. It was a small log building located about one-half mile south of the present location. Those who were charter members of the venture of faith were: Elisha Laton, Martha Ann Laton, Alexander Biles, Franklin A. Laton, Thomas Biles, John Lilly, E. J. Laton, Wincey H. Laton, Linda J. Laton, Caroline Biles, Sarah C. Laton, Mary Pickler, Mahaley Byrd, Sarah H. Carter, Lousinda McDaniel and Patsy Wilson.

The Rev. Henderson Carter was called as the first pastor in 1854 and served until 1864. The first two deacons were Alexander Biles and Franklin Laton.

The Church joined the Pee Dee Baptist Association and remained a member until 1869. A period of about seven years passed with no pastor during the reconstruction days following the Civil War.

In 1869 the Church joined the Rocky River Association, which later became a part of the Stanly Association, and has remained in this Association until today.

The second pastor was a Reverend Stoker, who was followed by the Rev. Solomon. The fourth pastor was Rev. Oscar Haywood.

In 1880, Rev. J. C. Denny was called as pastor and during his ministry the name was changed to Anderson Grove Baptist Church. Part of the present location was given by Dr. Richard Anderson in 1880 and a new log building was erected. In 1904, a new frame building was erected and in 1917 rooms were built on each side, making wings to the church. Again in 1932 five more Sunday School rooms were added to the building.

The people continued using this building until 1951, when the present building was erected. During this period from 1880, when the church changed its location to the present building many pastors were called to serve the church. As best we can find in the records, the following men served as pastor: Rev. J. C. Denny, 1880-1892; Rev. J. W. Suttle, 1892-1894; Rev. J. A. McKaughan, 1894-1898; Rev. J. F. Davis, 1898-1899; Rev. R. H. Herrin, 1899-1901; Rev. A. C. Davis, 1901-1903; Rev. E. M. Brooks, 1903-1905; Rev. W. N. Sims, 1905-1906; Rev. D. W. Arnett, 1906-1909; Rev. J. L. Kirk, 1909-1910; Rev. R. E. Edwards, 1910-1916; Rev. John Kimery, 1916-1917; Rev. C. B. Reid, 1917-1919; Rev. Jake Kirk, 1919-1923; Rev. Ralph Harris, 1923-1926; Rev. Joel Tyson, 1926-1928; Rev. N. C. Coggins, 1928-1932; Rev. T. C. Staley, 1932-1937.

On November 1, 1937 Rev. J. W. Russell was called as pastor and served for 15 years. During this period he led the church building program to the present brick structure.

In 1952 the Reverend R. D. Riggins was called as pastor, and served until 1957. Following his resignation, Rev. Troy Sherrin became pastor and remained until January, 1962. Following Rev. Sherrin the Reverend H. L. Register became pastor and served until 1966. Following Rev. Register the Rev. W. J. Taylor became pastor and served until 1968. During his pastorate he led the congregation in building the new Educational Building.

In April, 1969 Rev. Howard Laney, the present pastor assumed the duties.

Since the Organization of the Church in 1854, when the small group organized the Liberty Hill Baptist Church to the present location of Anderson Grove, 30 pastors have led in the kingdom work. In these 120 years the congregation has grown to about 540 people serving their Lord for the cause of Christ at home and around the world. From this church have gone several persons to full time Christian service.

Mrs. Charles Tabor (Miss Ellen Dennis) is now serving as a medical missionary in the Baptist hospital in Korea. Through the Anderson Grove Baptist Church have gone workers, but their tithes and offerings have made it possible for many who are called to fill their places at home and abroad.

7. That throughout our Associational Constitution. . . .where the words "Superintendent of Missions" appear. . . .that this be made to read "Director of Associational Missions" as suggested at a meeting of Associational leaders in a May meeting at Ridgecrest Baptist Conference Center.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of affiliated churches. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

Evangelism Report

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evengelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders will attend the 4th Statewide Youth Evangelism Night — August 16 — at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, is the guest preacher, and Darcy and Sharon Hodges are the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

Respectfully submitted,
F. G. Alford

Cooperative Program Report

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would result in all your fish getting away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Last year, 1,236 churches increased Cooperative Program givings by 10 percent or more over what they gave the previous year. Two of the Associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. Unfortunately, Stanly Association was not one of them.

Will you do these things?

1. Will you lead the church where you serve to increase Cooperative Program and Associational mission giving by 10 percent or more?

2. Will you send your check for Cooperative Program **each month** to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, N.C. 27611?

3. Will you help Stanly Association to have 100 percent participation in Cooperative Program giving during the next year?

Rev. Nathan Fox

Report of Director of Missions

This has been a busy year even though it seems there is always more that needs to be done. Thanks to our Committee who helped in enlisting another parttime Secretary; and though Mrs. Robert M. Kelley has had to work under some difficulty, she has been most helpful to us. Your prayers and helpfulness to them is appreciated.

My records indicate that I have:

Preached or spoken in churches for Sunday services 45 times.

Attended and often participated in other meetings 34 times, other than revivals.

Attended 6 Regional Meetings.

Attended 4 Statewide Conferences and Conventions.

There were many committee Meetings and individual conferences and contacts. For every opportunity to be of service, I must thank our Pastors, each of you and of course, our God for every door of opportunity.

As our Association enters the last decade of our first 100 years, we are challenged by a world in need and a God who calls us to let Him guide and empower us to be what the world needs as His Witnesses. Do we dare to give proper emphasis to the study and teachings of His word under the control of the Holy Spirit? Read the Bible through in 1974-75. Do we dare "Reach-Out" in His Name? Do we want to be "Sharing Christ Through His Reconciling Love"?

Let us commit ourselves to God and His will for our lives. Let us get together in following Him!

Respectfully,
J. Clifton Dunevant

Baptist Hospital Report

As the Baptist Hospital continues to grow in size and complexity, the emphasis is still upon "ministering with skill and understanding." Evidence of this is a typical patient's remarks recently: "From the head surgeon to the aide who handed me a glass of water, I was given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being

renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

A new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved and the patient does not have to be admitted to the hospital.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision in May 1971.

In January the hospital had its only room-rate increase in the past three and one half years. Nevertheless, the hospital continues to operate in the black. The 1973 Mother's Day Offering amounted to $375,000,000.

Baptist Children's Home of North Carolina, Inc.

Christian child care is a shared adventure. The Baptist Children's Home of North Carolina by faith is seeking to build a helping relationship with children and their families in need. They cannot know in advance the final outcome, but they are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations of this ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A challenge gift of $100,000 has been given for the development of Greer-Burris Home at Chapel Hill.

"The Mountain Within", a thirty-minute 16mm sound picture, has been filmed to tell the story of the Children's Homes. It was premiered at the Piedmont Area Conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1. This film can be obtained by churches by ordering it from the Department of Communications of the Baptist State Convention.

The Piedmont Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high adventure program for a group of teenage boys. The first Emergency Care Home opened in Burlington May 21, and a similar home was opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home care.

It is the continuing good will and generous support of friends throughout the state that make possible this vigorous and progressive ministry of child care. During the past year, North Carolina Baptist gave more than a million dollars to Christian child care in the North Carolina Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. Rising costs and the need for expanding services challenge each of us to continue our investment in the shared adventure of Christian child care.

Report On N.C. Baptist Homes For The Aging

As a Baptist, among the many ministries that you support, are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life happier and secure for them. You have done so in two ways: (1) The special offering for the homes taken the 3rd Sunday in February. (2) The Cooperative Program. Gifts from both these sources have increased each year and hopefully the offering will exceed $350,000 in the year 1974. This will be more than 30 percent of the budget to operate the five homes and the Nursing Care Unit.

Of great significance this past year, was the decision of the Trustees of the Homes to establish a 6th home in western North Carolina, in the city of Asheville on the Pearson Estate, a 21 acre site overlooking the city. Church groups are encouraged to visit the site of this proposed home and if an appointment is made they will be served lunch. Pray for this effort. . . .

With the rising cost of living, it is urgent that we Baptists increase our support of the homes thru the offering in February, The Cooperative Program and a Special Gift for the new home in Asheville. Of our 52 churches, 37 contributed over $4,000 to the homes. This can and should be increased. . . .

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure. . . .

Sunday School Report

Every Southern Baptist Church has an urgent, compelling mission from God to reach people. Assigned by the Lord Jesus, that mission demands of the church total commitment of heart, resources and action. The emphasis for 1974-75 in our Sunday School work is **Reach Out.** Reach Out furnishes a vehicle through which a church can express its commitment to reach people. The unreached multitudes constitutes the all-compelling reason for Reach Out.

Reach Out is People-to-People action. This special church project emphasizes reaching people for Bible study and for Christ. It centers in a one-week thrust called Reach Out Week, but it involves a search for people who need Jesus, and a positive six-week visitation emphasis when every prospect of the church will be visited at least once. Reach Out Calls for launching a continuing reaching people emphasis. The central week begins on September 29, 1974 and Reach Out reaches it climax with a High Attendance Celebration Sunday, November 17, 1974. Every church in our association is urged to share in this emphasis.

During the past year Associational Sunday School leadership has conducted the annual Vacation Bible School Clinic in which over 150 persons from our churches attended for training in conducting Vacation Bible Schools this past summer.

Also the Sunday School leadership conducted one teacher improvement conference in March with 75 in attendance.

The coming year will present to us other opportunities for training and development in our Associational Sunday School work. What we cannot learn alone, we can learn together in study and shared experiences.

Church Training Ministries Report

Church Training Ministries theme now is, "Church The Sunday Night Place". Trying to help churches and encourage them to make Church the Sunday Night place to be.

In October at North Albemarle Baptist Church, we had our "M" Night. The highlight of the night was a drama carrying out our theme "Church The Sunday Night Place." There were eight churches that participated in the drama. On February 12 at Grace Baptist Church, we had a Church Leadership Conference for all age groups in our Association. It was led by Maurice Cooper. There was a good attendance.

Youth Night was at Pleasant Grove Baptist Church in March. The presentation of the film "The Occult" was shown. After the film there was open discussion on Devil worship and how it's in our presence today. Over 300 people were present and enjoyed the fellowship period and refreshments after the program.

I want to personally say 'thank you' to everyone that supported me in prayers and assistance during my serving as Director of Church Training. My desire is for all churches to recapture 'Sunday Night' for the Lord!

Please support Rev. Paul Simpson as he leads us in our church training for next year. Help him make your church the "Sunday Night Place" to be.

Mrs. Austin V. Pate

W. M. U. Report

The Associational W.M.U. officers have worked hard this year preparing themselves and helping to train the W.M.U. officers in the church. The W.M.U. is striving to help the church carry out the Commission Christ left for us. Christ said, "Go". For you that may be next door or it may be to a foreign land.

The Associational officers led in a Leadership Conference and a workshop at Anderson Grove. Miss Jolene Ivey, State Acteens Director, led the Acteens Conference.

Prayer Retreats were held in February at Aquadale, Plyler and Bethel under the direction of Mrs. James Boles.

The Baptist Women Annual Meeting was held at Grace and the Baptist Young Women Annual Meeting was held at Anderson Grove.

The Acteens had a Prayer Retreat at Camp Barnhardt. Mrs. Bruce McSwain, Acteens Director, said that the Retreat was a success with good attendance. The Acteens had three other meetings.

The Girls in Action had a Day Camp at Camp Tarheelia with an attendance of 160. Mrs. Douglas Phillips and Mrs. L. L. Ingold, G. A. Directors did a great job planning the Camp. They had two other meetings.

The Mission Friends Leaders met at Memorial in May under the leadership of Mrs. Don Poplin.

Our officers helped in organizing one Acteens, two G.A.'s and two Mission Friends.

Mrs. Richard Barnett, Mission Action Leader, was busy this year involving our women in counseling at the Billy Graham movie and in a Cancer Survey for the county.

Our Annual Meeting was held in April at Memorial with the theme. ."Sharing Christ Through His Word.". Mrs. Kathryn Bullard, North Carolina Baptist Woman Director, and Mrs. Warren Rice, Missionary to Indonesia were our guest speakers.

Our Annual Meeting will be held next year at Pleasant Grove.

Associational Music Report

The Church Music Program in our Association is still growing with the dedicated efforts by those in charge of the music programs in their respective churches. It has been the aim of church music to provide both learning and worship experience to each member of the church. I hope church music will always be a worship happening and not just a place of showmanship for those doing the singing.

Here are some goals I hope we will strive for in the coming years:

(1) To provide general studies pertaining to the Music Ministry of the church: Example, congregational activities, hymnology, biblical background of church music.

(2) Choral development provided for each church member starting with pre-school through senior citizens.

(3) Provide for instrumental instruction for organist, pianist and any other individual needs of the church.

(4) Be available to provide music for all church related activities.

(5) That our music program always be a program that meets the needs of our people, and not the people meeting the needs of our music program.

Report Of Americans United

Americans United was organized in 1947 with the one purpose of trying to hold the line on separation of church and state. It is fighting to preserve our freedom from government restrictions and controls in following our religious beliefs. This means not being forced to support any religion financially.

This organization is largely supported and directed by Baptists, and it is capable, as Baptists are not, to take legal action in case of violation of the first amendment.

We urge our churches to include in their budgets a yearly item for Americans United, to call on this organization to investigate questionable church-state practices in local areas; to seek its cooperation with local residents in opposing-even to the courts where necessary — violations of the First Amendment to our Constitution; and to distribute its ably edited monthly journal, **Church & State** which gives accurate and timely information on this subject.

Annuity Board Report

In checking the number of churches participating in the Southern Baptist Retirement Plan, I found that there are only thirty-four out of the fifty-two (66 percent) in the Stanly Association in this plan. A church doesn't realize just how much benefit this will be for a Pastor or staff member when he retires or is disabled before he is old enough to retire. Eighteen of the fifty-two churches are letting their pastor down, and their families, too, for they will benefit from it also.

There are three plans in the retirement: A, B, & C. Plan A is designed to provide certain insurance type benefits for disability, widow, dependent child and education as well as retirement. The minimum cost to the church is $400 a year per participant.

Plan B is a plan whereby Deposits are credited to the individual's account with earnings added periodically, currently 6 percent per annum on a monthly compounding basis. The cost to the church is 10 percent of the salary including pastorium or housing allowance.

Plan C (Variable Benefit Plan) is a selected common stock fund. Deposits purchase units in a plan at the current monthly unit value. Participants in plan A and B is a prerequisite for participation in Plan C. In this plan, much more could be accumulated over the years.

There are three Insurance Plans available also:

(1) Life Insurance; (2) Disability Income Insurance; (3) Medical Insurance.

If your church is not in one of these plans (preferably the 10 percent plan of the total salary) I would urge to look into it right away.

Fred H. Hopkins

Report of American Bible Society

In our world of unrest and mixed emotions the BIBLE continues to be the best seller among books and literature. Since our last Annual Meeting, THREE million copies have been distributed in U.S.A. with a total of 249 million printings including entire Bibles, Old Testaments, New Testaments, individual books of the BIBLE, select portions and special tracts in 1526 languages, by the American Bible Society and associated translators. This is

an increase of 14 percent over previous years. This work requires the time of 3000 translators, proof readers and linguists. Many Southern Baptist Scholars, Writers and Editors are involved in this effort.

For the Deaf; sign languages have been developed for public worship.

For the handicapped; pictorial Bibles with large print.

For the blind; brail, tapes and records.

For general use, the Society makes available, visual aides, maps, pictorial scenes and aids for teaching and learning.

A program based on a five level of literacy is also printed in understandable texts and many languages. This will help readers of all ages and groups to a better Bible reading. This committee suggests that every Church include the AMERICAN BIBLE SOCIETY in your budget. Remittances designated and sent to the Associational Office or direct to N.C. Baptist Convention office in Raleigh, N.C.

Report of Christian Education

While churches and colleges are not identical in their purposes, Baptist churches and Baptist colleges in N. C. do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During the 1974 year, $2,350,000. will undergird the work of the North Carolina Baptist Colleges.

The Colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency.

Our colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate — work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

Respectfully,
T. Robert Mullinax
Exec. Secretary, Council on
Christian Higher Education

Report on Christian Literature

2 Timothy 2:15 — "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

How we desperately need to study the Word of God today. With so many false doctrines raging, God's Word is the only sure thing we can depend on. Our Bible tells us that the Word of God is forever settled in heaven and will never change. It is our only weapon against the devil. It is the powerful sword of the Christian. We are instructed to hide the words of God in our hearts so that we will not sin against Him. The only way we can do this is to daily feast upon His word. This year we want to encourage and challenge our people to read the Bible through. THIS IS THE MOST IMPORTANT READING WE CAN DO!

Other good reading material for Baptist families is the Biblical Recorder. The Recorder has been in business for 141 years and is enjoying highest circulation in its history this year of more than 111,000. One of the most significant accomplishments the Recorder enjoyed last year was helping to report and fight against liquor by the drink. Approximately 70 percent of the voters in the state voted against liquor by the drink and it was defeated in 97 of the 100 counties. This is one example of how important it is to keep our Baptist informed on what is taking place in our state and communities.

With the rising cost of paper the Recorder has still managed to keep the cost down to a nickel-a-week for each family. You can't find a bargain like that anywhere!

Keep handy the little devotional booklet 'Open Windows.' For that spiritual lift to help keep our minds stayed on Jesus, read Open Windows daily.

REMEMBER — God's Word will keep you from sin or sin will keep you from God's Word.

Respectfully submitted,
Mrs. Richard Barnett

State Missions Report

North Carolina Baptists have been blessed of God in many ways but among His greater blessings are the opportunities and challenges of State Missions.

A total of fifty-one different ministries are supported by our State Mission program and as the population of our state increases, even so does our responsibility increase.

State Missions is a multiplicity of special ministries far too great for any one local church but the cooperative effort of Baptists across North Carolina is needed. These specialized ministries include work at Pembroke and Cherokee, support of part-time chaplaincies in several correctional institutions, supplement to associational budgets, assistance in witnessing to, and enlisting for service, Orientals and Spanish speaking peoples. A specialized ministry to the deaf is very gratifying. Many have been blessed through our Resort Ministry. State Missions is concerned with education and Fruitland Baptist Institute, along with the cooperative plan for Seminary extension, the areas of concern. Our growing cities need Baptist Centers and

other expressions of Christian social concern. The State Mission program continues a specialized ministry to other races and supports a strong inner city ministry.

State Missions comes home to us in service to the pastor and the local church. Loans and lot aid are given new churches and needy churches are given financial assistance until they become self-supporting. Pastors are helped through Annuity supplements. The local church benefits through youth rallies, summer ministries, Church Programs, and Stewardship promotion.

Let us thank God for State Missions and give this great program every possible support.

Respectfully submitted,
John Robinson

Home Mission Report

Missions, like charity, must begin at home. To carry out our Lord's Commission, we must become witnesses here at home. It is my firm conviction that we must "strengthen our stakes" here at home before we can more effectively "lengthen our cords" of missionary expansion around the world.

The latest report from the Home Mission Board indicates that some 4,000 are engaged in "crossing barriers" and seeking to meet many urgent needs here at home. These 4,000 persons, including full-time, part-time and volunteer workers, are helping to meet the challenge of the times. The Home Mission Board's missionary force totaled 2,170 at the year's end, and the balance was comprised of students, and volunteers. Missionaries are active in all 50 states, Panama and Puerto Rico. The Board pays the full support of about one third of them and shares in the support of the others with the state conventions.

More than 1,050 missionaries are supported by the Home Mission Board working in language efforts in 33 state conventions, Panama and Puerto Rico. This year saw the beginning of work among the Yaqui, Cochin and Feather River Indians, extending the Board's outreach to some 30 language and culture groups.

There are many urgent needs that must claim our attention in the days ahead. All of our present programs need to be strengthened. New programs will be needed to meet the challenge before us. The proposed budget for 1975 which calls for 19½ million will be a challenge to us. We will need to increase our support of the Cooperative Program and the Annie Armstrong Easter offering.

Let us as churches in Stanly Association respond to the challenge here at home and likewise to the needs across our nation.

Respectfully submitted,
J. C. Alley

Foreign Missions Report

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1973 the Board had an overseas missionary staff of 2,538. This included 172 missionary associates, 3 special project medical per-

sonnel, and 137 missionary journeymen. Additions during the year totaled 229 (including 14 associates, 75 journeymen, 2 special project medical workers, and 13 reappointments).

On January 1, 1974, Southern Baptist missionaries were under appointment to 77 geographical or political entities.

At the end of 1973, Southern Baptist's contributions for foreign missions totaled $39,435,694. The 1973 Lottie Moon Christmas Offering goal was $20 million — an increase over the $19,664,973 contributed (as of May 1, 1973) through the 1972 offering.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. This is the basis upon which sustained advance can be built! Still needed urgently on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth.

More details about Southern Baptist mission efforts overseas will be found in the free booklet "Know Your Baptist Missions-1974" available from the Foreign Mission Board, SBC; P.O. Box 6597, Richmond, Virginia 23230.

Respectfully submitted,
Rev. B. J. Ferguson

Report of the Resolutions Committee

Whereas, the 90th Annual Session of the Stanly Baptist Association in North Carolina, has been a period of happy fellowship and spiritual inspiration and information.

BE IT THEREFORE RESOLVED:

1. That we recognize the bond of Christian love and fellowship that unites us, and the great missionary opportunities that lie before us, let us continue to display the spirit of our Saviour through the entire program in the Stanly Baptist Association.

2. That we, the messengers and visitors of the Stanly Baptist Association, express our sincere thanks to the Moderator, Clerk and other officers of the Association for the splendid way in which they have conducted the sessions of the Annual Meeting.

3. That we express appreciation to our Director of Associational Missions for his dilligent work and preparation to make this session more meaningful.

4. That we express our appreciation to the Program Committee for the well-planned sessions and their fine selection of speakers, musicians, and vocalists.

5. That we express appreciation to the members of Silver Springs Baptist Church and the Canton Baptist Church for their gracious hospitality and provisions for our comfort and the delicious food served.

6. That we recognize the good work, and farsightedness of the Executive Committee and Missions Committee in securing property upon which to build an Associational office building and the Wiscassett Mill for its donation of said property. We strongly recommend that we proceed with the construction of an Associational office building at the earliest feasible date and that all churches give the Planning and Building Committee their wholehearted support, prayers, and the project all the needed financial assistance.

7. That we reaffirm our support of the North Carolina Christian League and the Stanly County Concerned Citizens for Christian Action in their continued effort to limit the sale and use of alcoholic beverages; limit the advertising and promotion of alcoholic beverages and the ridding of our society of pornography. And that we recognize that we personally have a role to play in this effort both at the polls and in the courts.

8. That in light of U. S. Attorney General Saxbe's warning that the very order of society is threatened by violence and crime we urge the television networks to exercise social responsibility with a realization that many areas of America do not have the same moral outlook of the centers from which the network programs originate. We call upon the networks and sponsors to purge the air waves of entertainment which goes beyond what is reasonably acceptable according to the contemporary standards in our communities and that is crass commercial exploitation of sexual conduct. We deplore the debasing of that which is central to family life, community welfare, religion, and the development of human personality. We implore the networks to cease glorifying crime by the portrayal of drama in which the hero is also a villain, the use of hell, damn, and God's name in conjunction with profane terms. These are our air waves and we will cease being a silent majority.

9. And finally, in the belief that Christian men and women should have and hold political office, we do urge each messenger and visitor to study the candidates seeking office in the forth coming election and vote for the man or woman whose Christian character is a definite asset to him in his performance of the work which he deserves to do in local, state, and national office; and that we encourage other voters by our words and our example, to search out the truth about each candidate in a truly Christian manner with respect to his morality in the area of his domestic, personal, and business life.

Respectively submitted,
L. Edgar Whitlock, Chm.

Honoring Mrs. Roy Drye

Many people want the honor of an office, but few are willing to carry the full responsibility and work that the office demands.

This was not the case with Mrs. Roy Drye. She was elected as Clerk of the Stanly Baptist Association in June 1964. For ten years she has done a most efficient job. She was faithful to attend all meetings and the records she kept were complete.

She was faithful during some most difficult times. The death of her husband did not dim her faith nor destroy her interest in God's Kingdom work.

A sincere thanks to a wonderful Christian woman for an excellent job done, Mrs. Roy Drye. Jesus said He would say to this kind of person, "Thou hath been faithful over a few things, I will make you ruler over many, enter thou into the joys of thy Lord".

History of Canton Baptist Church

Canton Missionary Baptist Church is located near the center of Stanly County, North Carolina, six miles west of Albemarle.

George R. Mendanhall, a lawyer of Montgomery County, secured a grant from the State of North Carolina for many acres for this unsettled country. He gave two acres of a nice, flat top knoll for a school site and called it Canton, probably after Canton, China. A log house was built and used a few years for a school.

Soon after the Civil War, Rev. Baxter Henderson Carter preached in this schoolhouse. Later, the school was discontinued and a church was organized in 1870. There were probably thirteen charter members as follows: Adam Burris, Mrs. Rowena Almond Burris, Rufus Almond, Mrs. Polly Almond, Moses Bowers, Mrs. Anna Bowers, Jessie Whitley, Peter Treece, Mrs. Emeline Treece, Mrs. Mintie Whitley, Mrs. Bedie Morton, Edmond Honeycutt, Caroline Honeycutt. Rev. Carter was the first pastor and served approximately nine years.

Canton's first church house stood in the northern part of what is now the cemetery. This house was planked up and down with narrow slats to cover the seams. It was not ceiled but had an arbor roof and measured 30 x 40 feet. This was used from 1870 until 1887.

The second house was erected in 1887 about twenty-five yards west of the first church, facing south. It was a good, substantial, framed building that was weather-boarded, ceiled, painted and had a belfry. Services were held in this wooden structure until the present church house was built in 1927.

The present building was completed in 1927 under the leadership of Rev. G. W. Stanley. An Educational Building was added in 1961.

During its 104 years of history, Canton has had twenty-four pastors providing spiritual leadership. The present pastor, Rev. Kenneth Gibson, assumed his duties in January, 1968.

With anticipation and dedication, we face the future — knowing not what tomorrow holds, but trusting Him who holds tomorrow. Our prayer, as we look ahead, is "that we might walk worthy of the Lord, unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God."

History of Silver Springs Baptist Church

In the year 1856, Rev. David Wright traveled in Stanly County preaching and distributing Baptist literature. His preaching and literature caused the people of this community to invite other Baptist preachers to hold services with them.

In the year 1857 Silver Springs Baptist Church was organized with the following charter members: John Gimrey, Ferdnand Foreman, Manlove Kimrey, C. C. Foreman, Noah Mauldin, Rebecca Hudson, and Lucinda Cooper.

The Presbytery was composed of the following: Rev. B. H. Carter, Rev. C. C. Foreman and Rev. S. P. Morton. The Rev. C. C. Foreman was called as the first Pastor. The services were held under an arbor for some time, in the year 1858 the first building was erected. The ground for the Church was given by J. E. Mauldin and Joel Tyson.

The Stanly Baptist Association was organized and held its first session with this church in the year 1885. The second building was erected in 1889, and later had to be enlarged to take care of the expanding congregation. In 1927 the present Auditorium and several class rooms were built. In 1958 a Pastorium was built and the church went full time, with pastor living on the field. In 1969 the church voted to build a new Educational Building. This was completed and put into use during April 1970.

The following Ministers have served this church since its beginning:

Rev. C. C. Foreman, Rev. A. E. Bennett, Rev. G. O. Wilhoit, Rev. H. Morton, Rev. L. A. Whitlock, Rev. U. F. Hathcock, Rev. S. P. Morton, Rev. J. B. Littleton, Rev. T. S. Wright, Rev. J. Lenny, Rev. J. W. Suttle, Rev. J. A. McCoin, Rev. C. J. Black, Rev. J. C. Gillispie, Rev. John Kimrey, Rev. J. S. Connell, Rev. John R. Miller, Rev. V. L. Andrews, Rev. J. S. Tyson, Rev. J. C. Bennett, Rev. Guy F. Walker, Rev. A. W. Icard, Rev. Vernon T. Helms, Rev. Paul J. Hopkins, and the present Pastor Rev. George W. Huggins, having come to the church Feb. 27, 1959.

This church has furnished members to help others to organize new churches and has sent several ministers out from their fellowship as God called them to preach the Gospel in other communities as they felt led by the Holy Spirit. Silver Springs Church still holds the Principles and Faith of their Forefathers.

Respectfully submitted,
Rev. George W. Huggins

Mr. Smith was born February 7, 1894 and lived with us until August 5, 1975. He was a graduate of Wingate and Wake Forest Colleges.

Whereas, the 91st Annual Session of the Stanly Baptist Association in North Carolina, has been an occasion of great inspiration, encouragement and fellowship; be it therefore resolved:

1. That we express with grateful hearts, our praise to Almighty God for His innumerable blessings since we last met and be it further resolved that we shall continue to walk together in the bonds of Christian love and fellowship as He leads.

2. That we, the messengers and visitors of the Stanly Baptist Association, express our sincere gratitude to our Moderator, Vice Moderator, our Clerk, and other officers of the Association for the excellent manner in which the proceedings of this Annual Session were conducted.

3. That we express profound appreciation to our Director of Associational Missions for his dedicated and diligent service, not only as pertaining to this Annual Session, but to Missions across our Association.

4. That we express our gratitude to the Program Committee for the fine and well-planned program which has been a great source of inspiration and information.

5. That we express appreciation to each program personality, the speakers, the vocalists and the musicians for a ministry which has been done exceedingly well.

6. That we express profound gratitude to Fairview Baptist Church and to First Baptist Church, Oakboro, for their gracious hospitality, the delicious food and the fine fellowship of this occasion.

Church Clerk of the Year

The Church Clerks have a very important job to do all through the year, and the end of the church year is very special for them. It is then that records are compiled and shared with the Southern Baptist Convention, The State Convention, The Association and the Church.

We are pleased to recognize Mrs. Alma Cotton as the Church Clerk of the Year. Mrs. Cotton has served as Clerk of the Fairview Baptist Church for over four years. Her letter was among the first to be received, it was accurate, with all items filled in, and all copies were quite legible. Without the cooperation of her church, Mrs. Cotton would not have been able to complete the letter.

May each Clerk have the full cooperation of his or her church, so that next year more than one will be recognized.

Mrs. Albert Miller,
Associational Clerk

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of affiliated churches. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. The association's membership shall consist of messengers only who are members of the affiliated churches comprised of all of the following:

1. Officers of the association.

2. Elected messengers. Each church shall be allowed three messengers for the first 200 members or fraction thereof and one for each additional 50 members.

3. Pastors of the affiliated churches.

Sunday School Report

This past year, the Associational Sunday School Department did not do much. We promoted the High Attendance Day in November. There were 7,800 in Sunday School. That is a little over half of the enrollment.

November 2nd is High Attendance Day for this year. Hopefully, we will go far beyond last year's attendance.

On May 5th, Burtt Potter from the State Sunday School Office led in a Pastor-Director Planning Workshop. Thirteen churches were represented with twenty-six pastors and directors present.

There are some important events planned for the coming year that I am sure will be helpful.

Respectfully submitted,

Rev. Howard Laney
Sunday School Director

Associational Music Report

The purpose of an Associational music program is to open opportunities for the churches to work together on an Associational level. To provide music for services such as "M" Night, Sunday School Rallies, Choir Clinics, or to aid any church in bettering their music program.

With a united effort, we can see these things happen during the coming year. If you need anything that we can provide, we will be glad to offer our assistance.

Respectfully submitted,

Royce Walsh,
Assoc. Music Director

W.M.U. Annual Report

The Associational W.M.U. reached out into many areas during the year. We started out with our leadership conference at First Baptist, Albemarle. New age level organizations were begun at Kendall's, Silver Springs, Cottonville, Badin, Richfield, Highland, and West Oakboro. A G.A. Day Camp, an Acteens Prayer Retreat, Baptist Women's and Baptist Young Women's meeting were among the Association-wide meetings that brought us together.

A special emphasis of Focus Week were four Prayer Retreats held simultaneously at different churches, directed by Mrs. Glenn Almond, Prayer Chairman.

Share His Love — Love Thy Neighbor was the theme of our Annual Session in April at Pleasant Grove Baptist Church. Miss Sara Ann Hobbs, State W.M.U. Executive Secretary and Rev. George Cowsert, Missionary to Brazil were guest speakers.

Respectfully submitted,

Mrs. James W. Sanges
W.M.U. Director

Brotherhood Report

We the Associational Brotherhood Officers would like to take this opportunity to state our appreciation to all the men of the Stanly Association.

First of all, we say thank you for your patience and prayers because all of us were serving our first terms this year. We learned much this year and hope with your help to learn and accomplish much more next year.

The Brotherhood had three Workshops this year. The first meeting was in November being led by the local officers. Many things were discussed at the meeting and all who attended seemed to enjoy the fellowship. This meeting was the starting point of our prison ministry, which has been a wonderful success. Many of our Baptist Men's Groups have participated in this program. We conduct services each second and third Sunday morning. Our second workshop was in February, and was led by some of our outstanding Brotherhood men throughout the state. I learned so much at this meeting and I know many others did also. Our third workshop was held in September, being led by our Associational Officers. This meeting was to prepare and challenge all the men for the work of the coming year.

The R.A.'s experienced a good year also, thanks to Mr. Wayne Furr, Mr. Aaron Brooks and others who helped.

Now, we — your associational officers, along with all Baptist men, want to raise our hearts in praise to God for all that has been or ever will be accomplished.

Respectfully submitted,

Roger Bunting
Brotherhood Director

Associational Evangelism Report 1975

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3½ years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and fifty-five associations. Also, 107 pastors and nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975. The Stanly Baptist Association held a Lay Evangelism School on September 8-11, 1975. We had 15 churches and approximately 140 people participating in this associational School of Lay Evangelism. We thank God for the response and work.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adults will attend the 5th Statewide Youth Evangelism Night, August 15, at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, is the guest preacher, and Bill and Linda Cates are the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

Respectfully submitted,

Kinney Wallace,
Chairman of Evangelism

Report Of The Seminary Extension

Howard A. Moreen has said, "There is a danger in completing a course of education. It is the danger that grows as we complete high school, complete college, or complete post graduate work. It is the danger of thinking that, in completing a step in our education, our education has been completed."

Seminary Extension is a way of helping us to develop understandings and skills essential for acceptable performance. Seminary Extension is for

the minister and the lay-person. There is an area of study for each of these groups.

This past year we have conducted three (3) courses in our association.

1. Last fall eight pastors studied for twelve weeks **The Work of A Pastor.**

2. Also last fall, there was a class at Aquadale Church for lay-persons, on **The Life of Christ**. 22 persons enrolled in this class from four churches.

3. In the spring a class on **Understanding the Bible** was conducted at the West Oakboro Church with 16 enrolled.

Pastors and lay-persons need to recycle their minds time and time again. Seminary Extension is a way of helping us to better prepare ourselves for today's world.

It is our hope and prayer that we can build a good Seminary Extension program in our association.

A. Judson Rotan

Chairman of Seminary Extension

1975 Stewardship and Cooperative Program

A young man, in the presence of several onlookers, was struggling to move a very heavy object. His efforts were to no avail until suddenly he received an inspiration. It was, "to ask those standing nearby to assist." With his newly discovered cooperative program of moving the heavy load, he had a power too long neglected. And it is together that our churches can conduct mission projects throughout the world that would be too big a burden for a single congregation.

As a Christian, you are urged to give an account of your stewardship by tithing. The local church would do well to practice good stewardship by passing on at least a tithe to missionary projects by supporting the Cooperative Program. The sun never sets on your offering passed on by your church to this cooperative effort. It goes to spread the good news, evangelize, educate, heal and missionize around the world. In fact, more than 5,000 missionaries in over 80 nations receive monthly salaries from your Cooperative Program. We urge you to give monthly. We are missionary Baptist only to the degree we preach, practice and support missions. We urge all fifty-two churches to contribute this year.

We celebrated the Cooperative Program's 50th Anniversary this year. Forty-five churches participated in a Mission Advance Sunday, hearing firsthand reports and appeals from missionaries here in North Carolina. In addition to this, a successful Mission Fair was held emphasizing and explaining areas of work included in the Cooperative Program.

This coming year, our nation will be celebrating its 200th Birthday as an independent nation. The original colonies bonded together for strength and survival. In many respects our survival as independent churches was strengthened and made possible by our cooperative efforts. Thirty thousand autonomous churches recognizing the spirit of democracy, found it to their liking and decided advantageous to support a cooperative effort.

N. C. Baptist Homes for the Aging

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Home — this has been true particularly of the aging sick person. Almost daily, calls come from older persons, and their families, inquiring about admission to one of our five resident Homes and the skilled nursing care facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will continue to grow by over 300,000 a year. The needs of aging people are overwhelming. Will you remember to bring a worthy offering for this cause in February, Baptist Homes Month?

We can minister in our North Carolina Baptist Homes to only 230 persons at any given time. We have served hundreds of aging people through the twenty-four years at Resthaven, The Hayes Home, the Nursing Care Unit in Winston-Salem, our homes at Albemarle, Hamilton and Yanceyville.

As God continues to bless us and lead us, our leaders will make every effort to expand this ministry in helping as many older people as possible. They can do this only by the Grace of God, and a deeper concern and giving by our Baptist people. Our gifts is a life line to these deserving older persons, and they cannot be cared for in the majority of cases, without your prayers and a worthy offering. Four out of every five living in our Homes depend on our love gifts the 3rd Sunday in February and the Cooperative Program.

The most exciting development in the family of our Baptist Homes is the planning of the proposed Western North Carolina Baptist Home. This site is a 21-acre tract of land overlooking the city of Asheville in the Blue Ridge Mountains of North Carolina — better known as Pearson Estate, on Richmond Hill, in Northwest Asheville. Plans are in the making to raise $1,000,000 for the construction of this new proposed Home. It will include 50 rooms for residents, with living room, dining room, library, chapel and activities room and other necessary rooms. With the completion of this Home, North Carolina will be enlarging their base ministry to almost 300 persons.

Give as liberally as possible, that the needs of our people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy your gifts bring.

Mrs. Roy E. Drye

Baptist Children's Homes of North Carolina, Inc.

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It is through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptist launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in our nation.

The lives of more than 3,700 people are affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided for 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While the children were being cared for, a close working relationship was maintained with 2,178 adults in an effort to re-establish homes and strengthen family relationships.

During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill and Mills Homes will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home.

The award winning film, "The Mountain Within", meets with praise and appreciation wherever it is shown. It will continue to be available upon request.

Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. With God's continued blessing, we will move together to fulfill our mission of love.

John Robinson

Baptist Hospital Report

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-Patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent efforts to see that the hospital operates as efficiently and economically as possible.

During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite,

in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31.

During the past year, Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

Wyman Bolin

Christian Education

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist Seminaries listed an enrollment of 303 graduates of N.C. Baptist colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates, more than 6 percent of the total number of current missionary personnel. Baptist college students receive excellent experience and training for church and missionary service through Baptist Youth Corps. Approximately 100 Baptist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

Respectfully submitted,
Howard Davis

Christian Literature Report

2 Timothy 2:15 — "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

We cannot stress enough the importance of Bible study in the life of every Christian. Now as never before in order to meet the challenge of these last days before our Lord's return, we must be grounded in the word of God. As Jesus defeated Satan in the wilderness, we too must defeat him the same way — by the powerful word of God.

In addition to our Bible study reading, we Baptists are most fortunate in having the **BIBLICAL RECORDER**. In spite of continued problems for religious publications because of inflation, skyrocketting postage costs, the circulation of the **RECORDER** remains above 112,000. Already more than 1,000 churches in North Carolina are subscribing for their members, and more congregations do so each year.

The **BIBLICAL RECORDER** has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

Respectfully submitted,
Mrs. Richard Barnett

Report of the Director of Associational Missions

This has been a year of opportunity for service to many of our churches through pulpit supply and teaching and training opportunities — for all of this, I am grateful to you and to God. There have been many rewarding experiences and some disappointments. Some of our hopes, such as plans for Pastors and Deacons Workshop or Conference, did not work out. Let us continue to plan for this at some future time. There is need for more emphasis on the Church Training Departments broader scope of activities by most of our churches and we need your help in creating a great interest here.

Sunday School (Bible Teaching) is basic in all that we do and needs a renewed interest from all of us to reach our own folk and the unchurched; for a greater understanding of and commitment to the will of God for our lives. Let us join in sincere commitment to this task which God has granted us. Let us have vision to follow Isa. 54:2 and "enlarge the place of thy tent . . . . . stretch forth."

The Leadership Conference for Supt. of Missions at Caraway in April was a rewarding experience for me. Also, the Lay-Evangelism School here in our Association in September was most rewarding to those 135 persons from 15 of our churches. The Mission Advance Week-end involving 45 of our churches enlarged our understanding of Missions around the world as well as at home. The 50th Anniversary of the Cooperative Program was promoted by a Fair held at the Grace Church April 29, used sponsoring groups from 10 churches, and had visitors from many more of our churches. As we think of the blessings from all these and other activities, we thank God for all who led and all who cooperated in these efforts.

Words are inadequate to express the sincere thanks I feel for the extended vacation time and the love offering; so I could go with my family to visit relatives in England. We had a good trip!

Respectfully submitted,
J. Clifton Dunevant

State Missions In North Carolina

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout North Carolina.

State missions can be divided into two major categories: (1) **strengthening** ministries and (2) **lengthening** ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherhood, etc. These programs enable local churches to realize their own mission potential.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples are: resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, in fact, is one of the primary goals of state missions in N.C. The purpose is to build strong "mission stations" across the state as a foundation for the overall support of world missions, christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September. Many of our state ministries however are co-sponsored by district associations and the Southern Baptist Home Mission Board.

Marion Alsobrooks

Home Mission Report

God has blessed the Home Mission Board in many ways this year. We are grateful to Him for His watchful care. The Board and its missionaries deeply appreciate your financial and prayer support.

The Home Mission Board sponsors work in the 50 states and Puerto Rico. At the beginning of 1975 the missionary force totaled 2,171 with most of the personnel employed under cooperative agreements with state conventions. Work is done with language groups, evangelism, church extension, pioneer and rural-urban missions, National Baptist, chaplaincy, metropolitan missions and others.

Our Bicentennial Year can be a pivotal one for our denomination, as well as our nation. The Bicentennial offers an excellent opportunity to direct the attention of the country to the contributions made by Baptists in the spiritual growth of our nation. Hopefully, the Bicentennial will be a call to the people

of our land to return to the religious convictions of our forefathers.

The fiftieth anniversary of the Cooperative Program helped all of us to recall the vital importance of this "lifeline" of Southern Baptists. Many churches made significant advances in their gifts through the Cooperative Program — in spite of a national recession. These sacrifices have enabled this agency to support an ever-increasing ministry in our country.

Our denominational thrust for 1977-79 makes it imperative for all of us to become engaged in Bold Mission. The focus of this agency is upon witnessing to every person in America and establishing new churches in needy and challenging fields throughout the nation.

May God continue to bless you — and the Home Mission Board, as together we shall cross barriers with the Gospel under the leadership and power of the Holy Spirit.

Respectfully submitted,
Robert W. Morrow

Foreign Missions Report

1974 was a year marked by crises through the world. The spectors of hunger, energy, population, inflation, and recession threw grim shadows across the state of foreign mission activities. The deteriorating situation in Vietnam ultimately resulting in its loss to our mission endeavors caused grave concern. An awareness of the growing complexity of world affairs and the effect on our mission projects was forced on our attention.

But, in spite of the difficulty, 1974 represented a year of substantial progress in our work abroad and our support at home. Five new mission fields, Panama, Madagascar, and the Caribbean Islands of Granada, Saint Lucia and Dominica were added raising our total areas of work from seventy seven to eighty two. Church membership increased by almost thirty percent, rising to 829,872 members in 14,875 churches and mission points. Two hundred and fifty new missionaries were appointed bringing our total number to a record high of 2,606.

At the same time, home support for foreign missions increased 11.40 percent making a total of $41,359,127.00 through the Cooperative Program and the Lottie Moon Christmas offering. Inflation continues to raise the cost of carrying the gospel to foreign fields. The budget for 1975 totals $45,000,000.00 an increase of $5,000,000.00 over 1974.

The challenge is great, but the opportunity is greater. As we approach this year's Lottie Moon Christmas offering, may we rise to meet this opportunity as we work together to assure that the gospel is preached to every nation under the sun.

Respectfully submitted,
Rev. Harold L. McDonald

History of Fairview Baptist Church

On June 27, 1937 the following ministers: W. B. Helms, T. S. Crutchfield, J. C. Bennett, Z. W. Rotan, L. D. Munn, J. D. Marlen, W. J. Bradley, Ralph Harris, M. L. Dorton, W. S. Caudle, and T. W. Fogleman, met with the East Albemarle Mission Sunday School to organize Fairview Baptist Church. The Presbytery being duly organized, the doors of the church were opened and fourteen presented themselves by letter.

After about two months, the little group on their own lot on Moss Springs Road, erected a tiny tabernacle, 14 feet by 40 feet, with Rev. T. W. Fogleman as Pastor.

Fairview Baptist Church was accepted into the Stanly Baptist Association in October, 1937.

A second building was begun on Moss Springs Road in August 1938. On the first Sunday of November 1938, services were held in the basement of the new building and in July 1941, preaching services were held in the new auditorium.

Under the leadership of the Holy Spirit and Rev. Millard Hill, ground was broken in January 1970, at the present location on Ridge Street. The present building was occupied and dedicated on the second Sunday of October 1970.

Nine Pastors have provided spiritual leadership in the 38 years as a church. The present pastor, Rev. Millard Hill, assumed his duties in April 1969.

"To God be the Glory, great things He hath done", and greater still will He do.

History of First Baptist Church, Oakboro

First Baptist Church of Oakboro was organized February 23, 1916.

The Organizing Presbytery consisted of the following ministers: Rev. R. P. Walker, Albemarle; Rev. J. C. Gillespie, Norwood; Rev. J. S. Harris, Oakboro; and Rev. P. G. Hartsell, Oakboro.

Charter members were as follows: D. C. Whitley from Barbee's Grove Church, C.M. Smith from Big Lick Church, Rosa Smith from Big Lick Church, J. Walter Helms from West Monroe Church.

At this time the following members were received under the watchcare of the church, letters pending. We assume that these were also charter members.

Brother J. F. Barbee, Sisters Ellen Barbee, Bessie Barbee, Lottie Barbee from Barbee's Grove Baptist Church, Brother J.M. Burns from Marshville Church, Sister Mary Burns from Marshville Church, Sister Bertha Dunn from Big Lick Church.

The following Deacons came already ordained: J. Walter Helms, J. F. Barbee. Rev. J. Adam Grubb of Salisbury was called as First Pastor. Other pastors serving the church have been: J. C. Gillespie, C. J. Black, A. B. Smith, J. F. Black, F. W. Frye, E. M. Brooks, Frank Gaddy, L. D. Munn, S. T. Morris, B. G. Henry, C. L. Pickler, Ray Smith, Eugene Byrd, Sam Long,

Rommie Pierce, Guy Funderburke, Maurice S. McLain, Frank Marks, J. Lloyd Mauney, A. M. Kiser and Howard Davis, the present pastor.

The first church building was a one room frame building on Oakboro Main Street. After a few years, an educational annex was constructed to take care of the expanding Sunday School and other organizations. This building served until 1950 when a new location was purchased and the present plant was erected. In 1957 a modern pastor's home was built in the location of the old church building. At the present time, the value of all church property is approximately $275,000.00 and is debt free. The present membership is about 360. The Sunday School is fully departmentalized. The W.M.U. is well organized, has attained "Honor Rating" in 1961-1965 from the Woman's Missionary Union of the Southern Baptist Convention. The Training Union is organized on a Departmental basis. The Brotherhood is sponsoring the Royal Ambassadors. The Church has enjoyed a steady and healthy growth for many years. From this church has gone 2 ordained ministers, Rev. Quinn Morgon now of Bakersville, California and Rev. Melvyn Curlee now serving the Temple Baptist Church in Fayetteville, N.C. For all of this, we are grateful to these above named pastors and for the many faithful Lay Leaders that have guided this church from its organization to the present time in serving our Lord at home and around the world.

Our church has a part in supporting more than 2500 missionaries in 80 countries through the special offerings and giving 18 percent of our gifts through the Cooperative Program.
